THE TRANSCENDENT WISDOM OF NEEM KAROLI BABA
TOLD THROUGH THE STORIES OF THE WESTERNERS
WHOSE LIVES HE TRANSFORMED

"We Westerners who went to India on a spiritual quest to spend time with Maharajji (Neem Karoli Baba) bore witness to this exceptional soul as well as to our own true nature. When we returned to the West, we carried him in our hearts and souls."—from the Foreword by RAM DASS

Whisper in the Heart Parvati Markus,2022-08-30 Neem Karoli Baba a great Indian saint left his body in 1973 but his presence has continued unabated Even without his physical form he has appeared to thousands of individuals across the globe in dreams and visions in meditation and out of the blue in broad daylight He comes to open hearts with a blast of unconditional love to bring comfort and aid in response to calls for help and as a reminder that we are indeed all One But doubt often strikes after an experience in which one feels such profound divine love It was only a dream Maybe I imagined it I never met him in person how do I know it was him The mind steps in to discount what the heart knows to be true Whisper in the Heart validates these experiences by recounting the stories of over 150 people and the ways in which they met Maharajji as he is fondly known For some it was while chanting at a kirtan while at a spiritual retreat while looking at a photograph or as in some of the more extraordinary stories when he shows up on a desperate women s doorstep in France brings years of abuse to an end for a nine year old child in Australia dances on a beach in Miami or appears to a policeman in Taos New Mexico Maharajji himself used to say When you think of me I ll be there In this book you will see how he is fulfilling that promise Back cover

Journeys of Transformation John D. Barbour,2022-03-31 Western Buddhist travel narratives are autobiographical accounts of a journey to a Buddhist culture Dozens of such narratives have since the 1970s describe treks in Tibet periods of residence in a Zen monastery pilgrimages to Buddhist sites and teachers and other Asian odysseys The best known of these works is Peter Matthiessen s The Snow Leopard further reflections emerge from thirty writers including John Blofeld Jan Van de Wetering Thomas Merton Oliver Statler Robert Thurman Gretel Ehrlich and Bill Porter The Buddhist concept of no self helps these authors interpret certain pivotal experiences of unselfing and is also a catalyst that provokes and enables such events The writers spiritual memoirs describe how their journeys brought about a new understanding of Buddhist enlightenment and so transformed their lives Showing how travel can elicit self transformation this book is a compelling exploration of the journeys and religious changes of both individuals and Buddhism itself

Secularism and the Pursuit of Transcendence, Volume II Stanley E. Porter,Wendy J. Porter,2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding

topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us *Nectar #13* Babaji Bob Kindler, Father Abbot Joseph Homick, Kyogen Carlson, Professor Sivaramkrishna, Sumita Roy, OP Sharma, Lex Hixon, 2003-09-19 Divine Reality is all encompassing ever present and all pervasive that is the testament of the enlightened beings throughout countless ages and seems to be the consensus of the writers featured in this issue of Nectar of Nondual Truth And not only are the seemingly varied perspectives of philosophy brought together in such a profound and unilateral insight the assumed divisions between man and man man and woman nation and nation religion and religion and even heaven and earth are also harmoniously conjoined therein Further the very concepts of transcendence and immanence something beyond and something present also get a thorough revamping in our minds particularly if we imagine that they represent a contrasting dichotomy when in truth they do not As the Indian poet sage Ramaprasad is wont to sing repeatedly Mother s Reality escapes every mind that imagines sets of dualities to be real In the pages of this bold and well intentioned journal as well as in the hoary leaves comprising the revered scriptures of the world the idea of Nonduality Advaita persists Regardless there are always and predominantly two things on the minds of living beings whether they are awakened or unawakened those are Reality and relativity The unawakened either do not know about Reality do not think of It attempt to escape it in themselves or remain antagonistic to It If they accept it at all in what the seers call the beginnings of spiritual awakening there is still the considerable problem of overcoming procrastination prevarication and compromise and swiftly approaching It As for relativity the world of name and form perceived via the five senses as being ultimately real those unawakened to the Divine Verity mistake it to be the Reality bartering the infinite wealth at the center of their being for a world of mere colored glass as the poet sings Thus through lack of natural realization and unconscious of the underlying presence of Brahman they default to what the senses report and dictate and remain satisfied even through persistent suffering and obvious limitation with relative existence and what it has to offer **FWBO Newsletter** ,1979 **Tricycle** ,2007 **Pro veritate** ,1972 *Library Journal* ,1994 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Book World* ,1971
