Read Online Maximalist Rise Fall Tony Oreilly:

The Maximalist Matt Cooper, 2015-09-11 I am a maximalist I want more of everything Tony O Reilly strode into the twenty first century an Irishman apart Strikingly good looking athletically gifted irresistibly charismatic and phenomenally wealthy he had everything any man could want For many he was a hero the living embodiment of Irish potential for others he was an arrogant and overbearing presence at the heart of power Without doubt he was the most powerful unelected Irishman of the past 50 years His philosophy was simple I am a maximalist I want more of everything But it was never enough And today O Reilly s empire and the formidable reputation it established lie in tatters In this landmark biography Matt Cooper draws on an abundance of new material including interviews with many of O Reilly s closest family friends associates and rivals to uncover the man behind the myth An Irish epic it documents in unflinching detail and with great subtlety the meteoric rise and slow unravelling of an Irish icon

Tony Ryan Richard Aldous, 2013-08-30 In this authorised biography of one of the most remarkable Irishmen of the twentieth century Richard Aldous is independent in his judgements and frank in his examination of his subject s shortcomings and eccentricities But most of all he writes with verve and pace Tony Ryan was born in a railwayman s cottage and rose to enormous success overseeing the spectacular making of two business fortunes and the dramatic loss of one After an early spell in Aer Lingus he set up an airline leasing company Guinness Peat Aviation GPA which had its headquarters in Shannon and quickly became the largest such enterprise in the world Ryan was a hard taskmaster and the company reflected his ferocious work ethic Yet despite a stellar board of directors a botched and poorly timed Initial Public Offering in the 1990s saw GPA crash and burn Ryan lost almost everything All that remained was a little airline running massive deficits Ryan set about turning Ryanair around putting in one of his assistants Michael O Leary to help knock it into shape The rest is history Ryan remade his fortune lived lavishly and elegantly was a generous patron of the arts and in every respect larger than life His spirit is one that Ireland needs more than ever today As the nation strives for its own recovery it can find inspiration in the story of how one of its most famous sons rose and fell and then rose again Not one to stand still or lament mistakes Tony Ryan s determination never to give up is the real lesson of this story He was in so many ways Ireland s Aviator

Who Really Owns Ireland Matt Cooper, 2023-10-26 Through centuries of oppression we were tenants in our own land Today despite our independence and new found affluence we are in the midst of a crisis The question of who owns Ireland is once again taking on a sense of urgency Is the land of Ireland still for the people of Ireland In a deep and far reaching investigation journalist broadcaster and No 1 bestselling author Matt Cooper examines the power wielded by those who control the land where we live work and play Who are they how did they acquire so much and what does it mean for ordinary citizens when the ownership of key resources like shopping centres wind farms forestry and data centres comes from outside This is a story about how power and money influence and control the present and the future of Ireland sometimes for good and sometimes for bad Filled with riveting detail this compelling story of who really owns Ireland is an
