My Friend the Fanatic Sadanand Dhume, 2009-04-01 *My Friend the Fanatic* is a portrait of the world's most populous Muslim country Indonesia and the fourth most populous nation in the World. A nation once synonymous with tolerance that now finds itself in the midst of a profound shift toward radical Islam. The portrait is painted through the travels of a pair of unlikely protagonists. Sadanand Dhume, the author, is a foreign correspondent, a Princeton educated Indian atheist with a fondness for literary fiction and an interest in economic development. His companion Herry Nurdi is a young Islamist who hero worships Osama bin Laden. Their travels span mosques and discotheques, prison cells and dormitories, sacred volcanoes and temple ruins.

A World Connected Nayan Chanda, Susan Froetschel, 2012-12-03 No word has evoked as much passion in recent times as the word globalization, which carries an array of meanings among different people and disciplines. But the fact is that globalization is an historical process that has connected the world and influenced it for better or worse in every aspect of life. *A World Connected: Globalization in the 21st Century* is a collection of more than 100 thought provoking essays by renowned scholars, journalists and leading policymakers published over the past decade by the flagship publication of the Yale Center for the Study of Globalization, *YaleGlobal Online*. The essays are grouped by chapters on Global Economy and Trade, Security, Diplomacy, Society, Culture, Health and Environment, Demography and Immigration, Anti Globalization, Innovation and Global Governance, and offer insights about globalization trends for the future. The volume contains a general introduction by the editors and a preface by Yale University President Richard C. Levin. Provided by publisher.

Understanding Islam in Indonesia Robert Pringle, 2010 There are more Muslims in Indonesia than in any other country, but most people outside the region know little about the nation, much less about the practice of Islam among its diverse peoples or the religion's influence on the politics of the republic. In this illuminating publication, Robert Pringle explains the advent of Islam in Indonesia, its development, and especially its contemporary circumstances. The author's incisive writing provides the necessary background and demystifies the spectrum of politically active Muslim groups in Indonesia today.

Asia Pacific Defense Forum, 2008

We Have Never Been Postmodern Steve Redhead, 2011-06-29 Is it possible that various disciplines, theorists and cultural commentators have been hurtling down a blind alley in the last thirty years, searching for the holy grail of the postmodern? What if, after all, we have never been postmodern? Or what if we are instead now living after postmodernity? As global culture rushes off the cliff of catastrophe with its neo-liberal, neo-conservative ideologies mangled in the process, this book provides theory at the speed of light, designed to capture the fast flickering images of the real gone before you can blink in today's accelerated culture.
