Does the Internet Have an Unconscious? Clint Burnham, 2018-05-31 Does the Internet Have an Unconscious is both an introduction to the work of Slavoj Žižek and an investigation into how his work can be used to think about the digital present Clint Burnham uniquely combines the German idealism Lacanian psychoanalysis and Marxist materialism found in Žižek's thought to understand how the Internet social and new media and digital cultural forms work in our lives and how their failure to work structures our pathologies and fantasies He suggests that our failure to properly understand the digital is due to our lack of recognition of its political aesthetic and psychosexual elements Mixing autobiographical passages with critical analysis Burnham situates a Žižekian theory of digital culture in the lived human body

The Lizard People Don't Want You to Read This Robert Spinelli, 2025-09-30 Conspiracy theories and popular culture have long been intertwined As the most visible and effective form of communication mass media holds a tremendous ability to transmit ideas to wide swaths of eager

minds With their implicit sense of drama intrigue and complexity conspiracy theories propagate themselves via dynamic characters and themes that resonate with the audience s inherent fears and hopes This essay collection analyzes the causes and effects of wide scale misinformation perpetuated by mass media channels It offers a critical examination of how conspiracy theories are portrayed across a range of media from film and literature to digital platforms Drawing from diverse academic backgrounds and research methodologies the essays explore not only how these narratives are constructed and circulated but also their broader cultural and societal implications
