Nigeria's Digital Diaspora Farooq A. Kperogi, 2020 Over a decade ago when Nigeria's migratory digital elite in the United States pioneered a newfangled form of citizen online journalism that disrupted the professional certainties of domestic legacy journalism the country's professional journalists held out hope that the disruptive effect of this insurgent non-professionalized non-routinized but nonetheless transformative form of journalism would be transitory But diasporic citizen online journalism is not only now an integral part of Nigeria's media ecosystem it has also inspired successful homeland digital native emulators and is challenging even supplanting in some cases traditional domestic media formations as sites of consequential democratic discourse With Nigeria's frenetic and deeply engaged social media scene diasporan citizen journalism homeland news and social media activism are merging to create the most energetic moment in Nigeria's media

history This book chronicles the emergence and transformation of Nigeria's diasporic citizen journalism from the margins to the mainstream of the country's journalistic landscape and draws parallels with the mainstreaming of alternative media formations in other parts of the world Farooq A Kperogi is Associate Professor of Journalism and Emerging Media at Kennesaw State University Georgia USA He is a columnist for the Nigerian Tribune and blogs at <https://www.farooqkperogi.com>

Judah Awakening Yahnwe Okeke, 2019-09-18 As the prophet was commanded in Ezekiel 40:4 so too was author Yahnwe Okeke instructed to document everything that was disclosed to her through dreams and visions concerning the Judaic roots of the Igbo people of Southeast Nigeria In Judah Awakening she chronicles the day to day experiences cum revelations A written record of her spiritual encounters and confirmation from internet research she shares details of her visions and dreams as they happened on different days beginning July 1 2018 and continuing until the last day January 24 2019 Okeke summarizes her journey and highlights the key words which symbolize the core message of her experience Judah Awakening presents an insightful journal of Okeke's supernatural revelations of the Israel ancestry of the Igbos of South East Nigeria providing the words the Holy Spirit spoke regarding any connections between Israelites and Igbos It offers a work that touches on religion science culture and so much more

Online around the World Laura M. Steckman, Marilyn J. Andrews, 2017-05-24 Covering more than 80 countries around the world this book provides a compelling contemporary snapshot of how people in other countries are using the Internet social media and mobile apps How do people in other countries use the social media platform Facebook differently than Americans do What topics are discussed on the largest online forum one in Indonesia with more than seven million registered users Why does Mongolia rate in the top ten countries worldwide for peak Internet speeds Readers of Online around the World A Geographic Encyclopedia of the Internet Social Media and Mobile Apps will discover the answers to these questions and learn about people's Internet and social media preferences on six continents outside of the online

community of users within the United States The book begins with an overview of the Internet social media platforms and mobile apps that chronologically examines the development of technological innovations that have made the Internet what it is today The country specific entries that follow the overview provide demographic information and describe specific events influenced by online communications allowing readers to better appreciate the incredible power of online interactions across otherwise unconnected individuals and the realities and peculiarities of how people communicate in today s fast paced globalized and high technology environment This encyclopedia presents social media and the Internet in new light identifying how the use of language and the specific application of human culture impacts emerging technologies and communications dramatically affecting everything from politics to social activism education and censorship **Newspapers of the World Online: U.S. and International Perspectives** Hartmut Walravens, 2009-03-13 Digitisation has been a hot topic in newspaper librarianship for some years now it came as a godsend for many bulky and space consuming collections The major part of this volume comprises the papers given at the international conference on newspaper digitisation held at the University of Utah Salt Lake City May 2006 and presents the state of the art including experiences from current British and North American projects This material is complemented by presentations from the World Library and Information Congress in Seoul August 2006 focusing on the East Asian Newspaper situation **Interactivity and the Online Media Sphere in Nigeria** Joseph Wilson, 2019-01-15 In today s age of extraordinary technological development the mass media industry must constantly innovate and adopt emerging concepts to keep up with the demand of online visibility and prominence Interactivity is a distinguishing feature of the current online environment and is a necessity in maintaining relevance in digital media sphere The growing impact of new media technologies and the resulting pressure on mass media organizations to incorporate more audience involvement have made interactivity a particularly sought after phenomenon throughout the industry The prominence of online interactivity has resulted in anxiety throughout the mass media industry regarding the ways in which media organisations can engage with their audience and maintain a high level of traffic on their websites Attaining these heights largely depends on the quality and nature of interactivity on a given site This book provides insights into the interactivity basics of an ideal media website and highlights the nature of interactivity in the Nigerian online media sphere vis a vis the basics of interactivity **Frontiers of Jihad** Olomojobi, Yinka, 2015-09-05 The world has witnessed a new ideological divide since the atrocities of 911 There are strong indications that Islam and the West are entangled in a clash of ideologies Moreover this divide has made religion a strong component in international relations and political analysis This leads us to a striking question Is this the final confrontation of ideas in the modern world This divide has in many ways seen a rise in radical Islam on the African continent More particularly radical Islam is spreading at an alarming rate in Africa The wave of jihad in Africa has been imported by al Qaeda who has found it increasingly difficult to operate in the Middle East Accordingly al Qaeda has established its franchise and operational networks in Somalia Mali Mauritania Niger Libya Algeria

and Tunisia These networks have unleashed unholy terror death and destruction across the continent This has situated many parts of Africa to be bedridden with brutal conflict and perpetual chronic poverty A striking question then is what generates Africa to be a fertile ground for extremist infiltration The crescent of terror emanating from Boko Haram in West Africa over to the Sahel the Maghreb to Hamas in Gaza to the Islamic State in Iraq and the Levant ISIS and the diverse al Qaeda franchises in the Middle East and berthing in Somalia s al Shabaab reveals that the quest for a global caliphate is being provoked and networked to radical Muslims on the Continent ISIS has now acquired a franchise in Northeast Nigeria through the destructive group Boko Haram Will Africa be submerged with another deadly and destructive group Will the franchising of ISIS spread across Africa The intent and purpose of this book is that it explores these complexities and plots Most of all the book investigates how and why radical Islam finds a breeding ground in Africa Subsequently the study analyzes the solution to this impasse emanating across the continent
