Emotion in Texts for Children and Young Adults Karen Coats, Gretchen Papazian, 2023-01-06 Emotion in Texts for Children and Young Adults Moving stories takes up key issues in affect studies while putting forward new approaches and ways of thinking about the intricate entanglements of emotion affect and story in relation to the functions processes and influences of texts designed for youth With an emphasis on national literatures and international scholarship it examines a variety of storytelling forms formats genres and media crafted for readers ranging from the very young to the newly adult Layering recent cognitive approaches to emotion affect studies and feminist perspectives on emotion it investigates not only what texts for children and young adults have to say about emotion but also how such texts try to move their readers In this the chapters draw attention to the ways narrative literary texts address elicit shape and or embody emotion **Freedom Inc.: Gendered Capitalism in New Indian Literature and Culture** Mukti Lakhi Mangharam, 2023-06-15 While globalization is often credited with the eradication of traditional constraints tied to gender and caste in reality the opening up of the Indian economy in the 1990s has led to a decline in freedom for many female Dalit and lower class Indians This book explores the contraction of what it means to be free in post liberalization India examining how global capitalism has exacerbated existing inequalities based on traditional femininities and masculinities while also creating new hierarchies Freedom Inc argues that post 1990s literature and culture frequently represents and reinforces the equation of free market capitalism with individual freedom within the new idea of India However many texts often also challenge this logic by pointing to more expansive horizons of autonomy for the gendered self Through readings of texts as diverse as Dalit women s life writing pop fiction realist novels self help regional film and Netflix TV shows Mangharam investigates how notions like free trade entrepreneurship and self help are experienced embodied and challenged by disadvantaged peoples and by women differently than men In the process Freedom Inc explores how different literary forms illuminate alternative and buried pathways to fuller freedoms Indian Popular Fiction Gitanjali Chawla, Sangeeta Mittal, 2021-10-14 This anthology explores and validate the nuances of Indian popular fiction which has hitherto been hounded by its ubiquitous commercial success It uncovers popular in its socio political and cultural contexts Furthermore it investigates the vitality embedded in theory and praxis of popular forms and their insurrections in mutants and new age oeuvres and looks to examine the symbiotic bonds between the reader and the author as the latter articulates and perpetuates the needs of the former whose demands need continual fulfilment This constant metamorphosis of the popular fueled by neoliberalism and postmodernity along with the shifts in the publishing industry to more democratic reader driven genres is taken up here along with the millennial s fetish for romance humanized mythical retellings and the evergreen whodunnits As its natural soulmates the anthology delves into the interstices of Indian Popular with desi local traditions folk lore community consciousness and nation building Please note This title is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the Hardback in India
