McKnight, Lisa Hollihan Allen, 2018-03-02 When students are in elementary school a teacher who has expertise in teaching the fundamentals of reading instructs them At the middle and high school level that stops and the timing could not be worse The literacy demands

increase exponentially yet typically schools do not teach adolescents how to successfully read the increasingly difficult materials they encounter throughout their day As the rigor increases in their classes student coping skills become less effective Consequently the achievement gap becomes wider and more difficult to close during the adolescent years When it comes time to prescribe an intervention middle and high school teachers are hitting a wall Decoding and comprehension materials are often presented at an elementary level The students feel bad enough that they struggle with reading assigned baby work increases the stigma This book addresses the need for 6 12 teachers to have appropriate literacy intervention materials to use with struggling adolescent readers This book will also help teachers learn how to support any adolescent reader struggling or not when they encounter challenging text The book features two strands decoding and comprehension Each strand contains lessons materials a difficulty dial tips for implementation and student samples *Don't Tell Anyone You're Reading This* Lina AbuJamra,2023-10-03 In *Don t Tell Anyone You re Reading This* Dr Lina AbuJamra gives a refreshing and honest look at what it s like to struggle with sexual temptation and shame and how the Church can better support Christians and communities in these challenging and often avoided topics Are you wondering why you picked up this book Don t worry Your secret is safe with me Maybe you re like me a good person living a decent life making a living and working hard You go to church on Sundays and pray before your meals But you have a secret a hidden part of your life that you d be ashamed for anyone to find out about I get it I really do I have secrets too The thing with secrets is that they eventually come out Instead of hiding let s have a difficult conversation a real talk about secrets and shame and sex and a lot of things in between Difficult conversations don t have to be difficult but they do have to be honest In *Don t Tell Anyone You re Reading This* Lina shares her own struggle with sexual temptation with openness and vulnerability She points out where the church and purity culture have failed our communities Lina gets real about the excuses we make and the lies we tell ourselves even when our behaviors point to a larger problem This is a no holds barred discussion on why Christians still struggle with sexual sin and what the church needs to be doing to support Christians and the community at large Most importantly you ll see that despite our constant failures as humans Jesus doesn t ask us to be perfect He just asks us to be His If you re going to have a difficult conversation you might as well have it with a doctor face2face Starter Teacher's Book with DVD Chris Redston,2013-09-12 face2face Second edition is the flexible easy to teach 6 level course A1 to C1 The Starter Teacher s Book offers detailed teaching notes for every lesson keys to exercises and extra teaching notes It also guides teachers through the Student s Book DVD ROM and relates face2face to CEFR levels and English Profile Additionally busy teachers can access photocopiable progress tests and communicative class activities The free DVD in the Second edition Starter Teacher s Book offers classroom videos integrated with the Real World lessons in the Student s Book as well as the entire content of the Teacher s Book in PDF format **Crash Course in Children's Services** Penny Peck,2014-09-26 Useful for newcomers to the children s library staff as well as longtime children s librarians the second edition of this popular

handbook provides easy to follow instructions to make innovations in children s library materials work for you Addressing everything from the basics of reference to the complex and highly specialized duties of program development this handbook is perfect for both librarians and support staff who are assigned to the children s department of a library This second addition of Crash Course in Children s Services covers many of the new issues facing children s library staff including eBooks using apps in programming other online reading options book trailers nonfiction and the Common Core curriculum It also describes expanded programming options such as makerspaces gaming dog reading programs and play at storytime Ideal for new children s librarians as well as experienced library staff who have not worked with children recently and long time children s librarians looking to add new skills to their tool kits the book familiarizes readers with all the new developments of the past few years from online reading options to the wealth of new programming aimed at youth You ll learn about subjects such as pop up and passive programming offering online homework help and outreach and services to special needs children and then quickly implement new practices into use at your library
