Fiona Moolla,2014 The Somali novelist Nuruddin Farah is one of the most important African writers today The central question that this book investigates is the relationship between modern identity and the novel as a genre Nuruddin Farah s novels are shown by Moolla to encompass the history of the novel from the proto realism of the acclaimed *From a Crooked Rib* to the modernism of *A Naked Needle* and the postmodernism of most notably *Maps* returning almost full circle with his most recent novel *Crossbones* Moolla examines his writing within the framework of Somali society and culture Islamic traditions and political contexts all of which are central themes in his work She also addresses Farah s engagement with women s lives his female characters and identities being at the heart of rather than peripheral to his stories something that has distinguished him from many other male African writers The book finally suggests that through his literary negotiation of the central contradiction of modern identity Farah comes close to constituting a subject who no longer is transcendently homeless but finds a home everywhere a fitting project for a writer who has been in exile for the greater part of his life F Fiona Moolla is a Senior Lecturer in the Faculty of Arts at the University of the Western Cape in South Africa as well as a freelance writer and published author of short stories South Africa and Zimbabwe pb only Blue Weaver *Let's All Keep Chickens!* Dalia Monterroso,2023-02-28 Dalia Monterroso founder of the popular website Chickenlandia brings a fresh inclusive voice to the community of backyard chicken keeping with this entry level guide designed to empower anyone who s always wanted to keep chickens but may have thought it required special knowledge and a large investment in equipment Monterroso s enthusiasm is contagious as she conveys the basics of chicken keeping with an emphasis on low cost natural practices and shares her belief that humans have an innate ability to care for chickens Asserting that the backyard chicken community welcomes everyone she addresses a broad audience including those in urban and suburban locations Readers will learn how to plan their flock how to raise baby chicks what to look for in a chicken coop how to keep chickens healthy naturally and more Drawing from her own experience as the child of Guatemalan immigrants Monterroso celebrates how chicken keeping has been practiced around the world and offers an opportunity to connect with previous generations and transcend cultural racial economic and political divides This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA *Build Your Own Autonomous NERF Blaster* Bryce Bigger,2013-07-06 Design and build your own robotic Arduino powered sentry blaster Break out the big daddy blaster and teach it to act on its own Build Your Own Autonomous NERF Blaster walks you through cool DIY projects such as

Confessions of a Free Speech Lawyer Rodney A. Smolla,2020-05-15 In the personal and frank Confessions of a Free Speech Lawyer Rodney A Smolla offers an insider s view on the violent confrontations in Charlottesville during the summer of hate Blending memoir courtroom drama and a consideration of the unhealed wound of racism in our society he shines a light on the conflict between the value of free speech and the protection of civil rights Smolla has spent his career in the thick of these tempestuous and fraught issues from acting as lead counsel in a famous Supreme Court decision challenging Virginia s law against burning crosses to serving as co counsel in a libel suit brought by a fraternity against Rolling Stone magazine for publishing an article alleging that one of the fraternity s initiation rituals included gang rape Smolla has also been active as a university leader serving as dean of three law schools and president of one and railing against hate speech and sexual assault on US campuses Well before the tiki torches cast their ominous shadows across the nation the city of Charlottesville sought to relocate the Unite the Right rally Smolla was approached to represent the alt right groups Though he declined he came to wonder what his history of advocacy had wrought Feeling unsettlingly complicit he joined the Charlottesville Task Force and he realized that the events that transpired there had meaning and resonance far beyond a singular time and place Why he wonders has one of our foundational rights created a land in which such tragic clashes happen all too frequently

Monthly Catalog of United States Government Publications ,1984 Resources in Education ,2001-04 **Monthly Catalogue, United States Public Documents** ,1984 Antisocial Andrew Marantz,2019-10-08 Trenchant and intelligent The New York Times As seen heard on NPR New Yorker Radio Hour The New York Book Review Podcast PBS Newshour CNBC and more A New York Times Book Review Editors Choice A New York Times Notable Book of 2019 From a rising star at The New Yorker a deeply immersive chronicle of how the optimistic entrepreneurs of Silicon Valley set out to create a free and democratic internet and how the cynical propagandists of the alt right exploited that freedom to propel the extreme into the mainstream For several years Andrew Marantz a New Yorker staff writer has been embedded in two worlds The first is the world of social media entrepreneurs who acting out of na vete and reckless ambition upended all traditional means of receiving and transmitting information The second is the world of the people he calls the gate crashers the conspiracists white supremacists and nihilist trolls who have become experts at using social media to advance their corrosive agenda Antisocial ranges broadly from the first mass printed books to the trending

hashtags of the present from secret gatherings of neo Fascists to the White House press briefing room and traces how the unthinkable becomes thinkable and then how it becomes reality Combining the keen narrative detail of Bill Buford's *Among the Thugs* and the sweep of George Packer's *The Unwinding* Antisocial reveals how the boundaries between technology media and politics have been erased resulting in a deeply broken informational landscape the landscape in which we all now live Marantz shows how alienated young people are led down the rabbit hole of online radicalization and how fringe ideas spread from anonymous corners of social media to cable TV to the President's Twitter feed Marantz also sits with the creators of social media as they start to reckon with the forces they've unleashed Will they be able to solve the communication crisis they helped bring about or are their interventions too little too late
