Michaels, 2021-12-01 As the author I do not believe in disingenuous jacket blurbs insincere product descriptions or overly intrusive and embellished biographical information I believe that less information given in advance regarding the content of a book is beneficial to the reading experience The reader can then make their own observations and conclusions based on the content In short the book you're holding is just a story about a man who has experienced a lot of life from coast to coast I

wanted to share those experiences to help women find their way and navigate the treacherous waters of looking for a good man as safely and responsibly as possible while making sure that your decision is at least an informed one Sincerely Kelly Michaels The Author *Free Women, Free Men* Camille Paglia,2018-03-01 From the fiery intellectual provocateur and one of our most fearless advocates of gender equality a brilliant urgent essay collection that both celebrates modern feminism and affirms the power of men and women and what we can accomplish together Don't Tell Anyone You're Reading This Lina AbuJamra,2023-10-03 In Don t Tell Anyone You re Reading This Dr Lina AbuJamra gives a refreshing and honest look at what it s like to struggle with sexual temptation and shame and how the Church can better support Christians and communities in these challenging and often avoided topics Are you wondering why you picked up this book Don t worry Your secret is safe with me Maybe you re like me a good person living a decent life making a living and working hard You go to church on Sundays and pray before your meals But you have a secret a hidden part of your life that you d be ashamed for anyone to find out about I get it I really do I have secrets too The thing with secrets is that they eventually come out Instead of hiding let s have a difficult conversation a real talk about secrets and shame and sex and a lot of things in between Difficult conversations don t have to be difficult but they do have to be honest In Don t Tell Anyone You re Reading This Lina shares her own struggle with sexual temptation with openness and vulnerability She points out where the church and purity culture have failed our communities Lina gets real about the excuses we make and the lies we tell ourselves even when our behaviors point to a larger problem This is a no holds barred discussion on why Christians still struggle with sexual sin and what the church needs to be doing to support Christians and the community at large Most importantly you ll see that despite our constant failures as humans Jesus doesn t ask us to be perfect He just asks us to be His If you re going to have a difficult conversation you might as well have it with a doctor All Men Are Jerks - Until Proven Otherwise, 15th Anniversary Edition Daylle Deanna Schwartz,2013-02-18 Men Really Can Be Jerks But Only If You Let Them Like millions of women Daylle Deanna Schwartz had a habit of falling for jerks until she had enough This cycle wasn t going to change until she made a change herself And now in this anniversary edition of her groundbreaking relationship book she shows you how to do the same This book tells it like it is The only person who can make you happy is you and the only person who can change a guy is himself It s time to take control and make him prove he s not a jerk or move on As a relationship expert and self empowerment counselor Daylle s guidance will motivate you to develop a satisfying healthy relationship without playing games With fresh insight and new stories throughout this updated edition of All Men Are Jerks Until Proven Otherwise makes your happiness your first priority Men can act like real jerks but complaining about them won t get you anywhere It s time to take control of how men treat you and get the love you deserve *English File 4E Elementary Student Book* Christina Latham-Koenig,Clive Oxenden,Kate Chomacki,Jerry Lambert,2020-07-28 English File s unique lively and enjoyable lessons are renowned for getting students talking In fact 90% of English File teachers we surveyed in our impact study found that
