Cavanaugh, 2014-12-02 eBooks offer students as well as teachers school and public librarians and parents tremendous possibilities This book explains how to expand and enhance the reading experience through the use of technology Today eBooks are everywhere and the use of digital learning materials is beginning to supplant traditional printed materials As the

world shifts to digital books both teachers and students need to be comfortable and effective using materials in this format This book helps you to apply eBook materials to existing curricula to create interactive educational activities and have access to more materials to support reading instruction literacy standards and reading in the content areas Author Terence W Cavanaugh an expert on teaching with technology describes numerous strategies for integrating eBooks into reading instruction and remediation for students in preschool through grade 6 He covers the hardware and software used the wide range of formats available and research conducted on the use of eBooks with students as well as how to access free resources such as digital libraries and special collections that make eBooks available for schools The book also contains a chapter dedicated to using eBooks to help emergent or struggling readers

Young Adult Literature and the Digital World Jennifer S. Dail,Shelbie Witte,Steven T. Bickmore,2018-04-26 This book considers the practical intersection between digital media and young adult texts In these books teachers and teacher educators offer practical examples for engaging students with crafting critical responses to young adult literature through digital spaces It examines how teachers can use these spaces to help students encounter evaluate and engage in the world in which they live Young adult literature offers a vehicle through which students can discuss and explore the world in a more removed manner while digital media offers a paradigm for helping students craft multimodal responses that extend beyond the traditional literary essay This intersection asks teachers to consider how they are asking students to interact with the texts they read It asks them to invite students to enter and contribute to broader conversations through the production of their own texts This book illustrates pedagogical principles in practice showing what is possible in literature study in classrooms

Adaptation in Visual Culture Julie Grossman,R. Barton Palmer,2017-12-06 This book gathers together essays written by leading scholars of adaptation studies to explore the full range of practices and issues currently of concern in the field The chapters demonstrate how content and messaging are shared across an increasing number of platforms whose interrelationships have become as intriguing as they are complex Recognizing that a signature feature of contemporary culture is the convergence of different forms of media the contributors of this book argue that adaptation studies has emerged as a key discipline that unlike traditional literary and art criticism is capable of identifying and analyzing the relations between source texts and adaptations created from them

Adaptation scholars have come to understand that these relations not only play out in individual case histories but are also institutional and this collection shows how adaptation plays a key role in the functioning of cinema television art and print media The volume is essential reading for all those interested both in adaptation studies and also in the complex forms of intermediality that define contemporary culture in the 21st century

Game On, Hollywood! Gretchen Papazian,Joseph Michael Sommers,2013-02-18 The 14 essays in Game on Hollywood take on several points of game and film intersection They look at storylines aesthetics mechanics and production The book is about adaptation video game to film film to video game but it is even more about narrative The essays draw attention to the ways and possibilities of telling a story They consider

differences and similarities across modes of storytelling showing telling interacting explore the consequences of time place and ideology and propose critical approaches to the vastness of narrative in the age of multimedia storytelling The video games and film texts discussed include The Warriors 1979 film 2005 video game GoldenEye 1995 film GoldenEye 007 1997 and 2011 video games Buffy the Vampire Slayer 2000 2004 television show Buffy the Vampire Slayer Chaos Bleeds 2003 video game Prince of Persia The Sands of Time 2003 video game 2010 film the Star Wars franchise empire 1977 on Afro Samurai 2009 video game and Disney s Epic Mickey 2010 video game The Apocryphal William Shakespeare Sabrina Feldman, 2011-10 Sabrina Feldman manages the Planetary Science Instrument Development Office at the NASA Jet Propulsion Laboratory Born and raised in Riverside California she attended college and graduate school at the University of California at Berkeley where she enjoyed the wonderful performances of the Berkeley Shakespeare Company studied Shakespeare s works for a semester with Professor Stephen Booth and received a Ph D in experimental physics in 1996 She has worked on many different instrument development projects for NASA and is the former deputy director of JPL s Center for Life Detection Her scientific training combined with a lifelong love of literature and all things Shakespearean gives her a unique perspective on the Shakespeare authorship mystery Dr Feldman lives in Pasadena California with her husband and two children This is her first book If William Shakespeare wrote the Bard s works Who wrote the Shakespeare Apocrypha During his lifetime and for many years afterwards William Shakespeare was credited with writing not only the Bard s canonical works but also a series of apocryphal Shakespeare plays Stylistic threads linking these lesser works suggest they shared a common author or co author who wrote in a coarse breezy style and created very funny clown scenes He was also prone to pilfering lines from other dramatists consistent with Robert Greene s 1592 attack on William Shakespeare as an upstart crow The anomalous existence of two bodies of work exhibiting distinct poetic voices printed under one man s name suggests a fascinating possibility Could William Shakespeare have written the apocryphal plays while serving as a front man for the poet in purple robes a hidden court poet who was much admired by a literary coterie in the 1590s And could the poet in purple robes have been the great poet and statesman Thomas Sackville 1536 1608 a previously overlooked authorship candidate who is an excellent fit to the Shakespearean glass slipper Both of these scenarios are well supported by literary and historical records many of which have not been previously considered in the context of the Shakespeare authorship debate **Journals: Volume III** Joseph Alberts,
