Read to Succeed Joy Court, 2011-08-31 Concern about children's reading is an international issue highlighted by continuing OECD research. Government actions such as the priority given to reading in the review of the National Curriculum reflect current UK concern. Reading is an essential life skill not only for an individual's development and life chances but for social cohesion and a developed democracy. In an era of public spending cuts it is important to reflect upon the impact that libraries can have in growing readers for the future. This much needed book provides valuable evidence of successes so far both nationally and internationally and offers ideas for future development as well as inspiration for current practice. An edited collection contributed by expert practitioners it covers all aspects of promoting reading to and with children and young people from birth right through to teenage years including the following key topics: the importance of Bookstart; how children begin to read; creating young readers; literacy libraries and literature in New Zealand; the Summer Challenge in libraries; Stockport does Book Idol; restoring reading to the classroom; promoting excellence; shadowing the CILIP Carnegie and Kate Greenaway medals; local book awards; the sport of reading; libraries and partnerships; the hard to reach reader in the 21st century; creative reading; Readership; Offering future scoping for managers and aiming to inspire partnership and cooperation; this will be invaluable reading for practitioners and students of librarianship in both the public and school sectors. It will also be of great interest to all teachers, consultants and educators concerned with literacy and reading and to policy makers in both the school and library sectors. *The Essential Reader's Companion: Star Wars* Pablo

Hidalgo, 2012-10-02 THE DEFINITIVE WORD ON STAR WARS FICTION The legendary motion picture Star Wars has spawned two big screen sequels and three prequels and decades of bestselling fiction. From the original movie tie-in novel through the monumental Fate of the Jedi series, legions of devoted readers have helped expand science fiction's most celebrated film saga into a page-turning print sensation. Now for the first time a comprehensive overview of these sweeping Star Wars adventures is presented in one beautifully illustrated volume. Star Wars: The Essential Reader's Companion spans the entire galaxy of published Star Wars fiction: movie novelizations, original stand-alone and series novels, short stories, eBook novellas, young adult titles and comics, and features a concise synopsis of each story including key characters and planets, exclusive behind-the-scenes facts and anecdotes about authors, plot and character development, continuity notes and significance in the Star Wars Expanded Universe, details on which novels are linked to Star Wars comic books from Dark Horse and Marvel, a chronological listing of titles spanning the 25,000-year history of the Star Wars universe and placing each story in its proper context, more than one hundred original paintings throughout by some of fans' favorite artists. Whether skimming through fateful eras from the Old Republic to the New Jedi Order, delving deep into the ancient history of the Lost Tribe of the Sith or the tumultuous Clone Wars, crossing paths and lightsabers with Dark Lords such as Plagueis or Bane, Sidious or Vader, helming the Millennium Falcon with Han Solo or mastering the Force with Luke Skywalker, this one of

a kind one stop reference is a must for fans looking to maximize their knowledge of the sprawling Star Wars Expanded Universe **Krispos of Videssos (The Tale of Krispos, Book Two)** Harry Turtledove,2011-08-10 Against all expectations Krispos had won the crown of Videssos But how long could he hope to keep head and crown together For trouble was brewing in every quarter Civil war erupted under Petronas the late Emperor s uncle A brilliant general and a canny politician Petronas had a very personal score to settle against the upstart Krispos And even as rebel troops took the field against the untried Emperor outland raiders swept down from the northlands in a tide of carnage The power stemmed from foulest sorcery and Videssos wizards could not counter its evil curse Krispos reign showed every sign of being brief and very bloody

Hollywood Online Ian London, 2024-03-07 *Hollywood Online* provides a historical account of motion picture websites from 1993 to 2008 and their marketing function as industrial advertisements for video and other media in the digital age The *Blair Witch Project* is the most important example of online film promotion in cinema history Over the last thirty years only a small number of major and independent distributors have converted internet created buzz into box office revenues with similar levels of success Yet readings of how the film's internet campaign broke new ground in the summer of 1999 tend to minimize overlook or ignore

the significance of other online film promotions Similarly claims that Blair initiated a cycle of imitators have been repeated in film publications and academic studies for more than two decades This book challenges three major narratives in studies about online film marketing Hollywood s major studios and independents had no significant relationship to the internet in the 1990s online film promotions only took off after 1999 because of Blair and Hollywood cashed in by initiating a cycle of imitators and scaling up corporate activities online Hollywood Online tests these assumptions by exploring internet marketing up to and including the film s success online Pre Blair 1993 9 then by examining the period immediately after Blair Post Blair 2000 8 which broadly coincides with the rise and decline of DVD as well as the emergence of the social media sites MySpace Facebook and Twitter
