Statement Of Faith Larry R. W. Bostic, Cristy D. Bostic, 2024-03-28 From the beginning God declared that we need to have a faith based confidence in him where we can understand our decision to accept Jesus as our Savior and devotedly follow the Gospel of Jesus Christ. In order to do this we must believe in the inerrant Word of God telling us who Jesus is, how we are to live, and understand the need for and way to salvation. Have you ever wondered what salvation is, why it is necessary, how it is attained, and how all the details your pastor wants you to conform to is part of following Jesus Christ? What is baptism? Who is the Holy Spirit? Why should I pray, tithe, or go to church? What does it mean to guard your heart? Is there a hell? And will God send you there? These and many more questions have been researched, applied using God's principles in a detailed fashion, written in an easy to understand manner, and are found inside, backed by the Word of God. Don't go through this existence guessing where you will go after life and what you should be doing before your death. Read your Bible to gain intimacy and knowledge of your Savior. Read this companion book to see the subjects needed to know in your development of a journey through life. Know what the Bible says and make your own statement of faith.

In God's Image Shirley P. Soon, 2019-08-06 As a Sunday School teacher and church librarian for over 25 years, Shirley had noticed a need for student information concerning Bible Theology and the Gospel message along with development of a Christian's relationship with God. Three years ago in 2014, Shirley started to write Bible Articles to teach Christian High School teenagers about Bible Theology and important elements of the Gospel. Having read for many years some of the theological works of strong early Christians, Shirley felt the Lord's leading to provide material that teenagers and beginning adult Christians could easily understand. Thus came about this book. As a lay person, Shirley does not claim complete knowledge of the Bible and its teachings. Any mistakes in not giving credit to other writers are not intentional. Shirley welcomes criticism and correction. The book material is meant to add to and supplement current Sunday School curriculums and not to replace them.

Seeing the Light Through Black Death Laurence W. Trotter II, 2020-07-19 The bull thought I was dead. He looked up from the shattered mess he made of my bow and arrows and stared directly into my eyes. His empty gaze pierced through me while he prepared to mount his final charge. I knew my life was over. This was the day I was going to die. Only a miracle could change that. As it turned out, that was exactly what happened. This is a true story. Not your typical outdoor exploits set in the wilderness pitting good guys against bad, but rather a metamorphosis that would

question virtually everything I knew about my life who I was what I needed to change and how I was supposed to live It s a story about redemption and working out my salvation a story about how I seemingly had it all a successful string of businesses a long term marriage four loving children and more friends than I could count The only part of the equation missing was me my true purpose for being on this planet and a deeper relationship with God *Liquid Scripture* Jeffrey S. Siker, 2017-09-01 The electronic Bible is here to stay packaged in software on personal computers available as apps on tablets and cell phones Increasingly students look at glowing screens to consult the Bible in class and congregants do the same in Bible study and worship Jeffrey S Siker asks what difference does it make to our experience of Scripture if we no longer hold a book in our hands if we again scroll through Scripture How does the flow of electronic Scripture change our perception of the Bible s authority and significance Siker discusses the difference made when early Christians adopted the codex rather than the scroll and Gutenberg began the mass production of printed Bibles He also reviews the latest research on how the reading brain processes digital texts and how churches use digital Bibles including American Bible Society research and his own surveys of church leaders Siker asks does the proliferation of electronic translations reduce the perceived seriousness of Scripture Does it promote an individualistic response to the Bible How does the change from a physical Bible affect liturgical practice His synthesis of the advantages and risks of the digitized Bible merit serious reflection in classrooms and churches alike
