Representative Government in Modern Europe, 5e GALLAGHER, 2021-04-09 eBook Representative Government in Modern Europe 5e **Representative Government in Modern Europe** Gallagher, Laver, Mair, 2014-03-01 **Democracy in Modern Europe** Jussi Kurunmäki, Jeppe Nevers, Henk te Velde, 2018-06-19 As one of the most influential ideas in modern European history democracy has fundamentally reshaped not only the landscape of governance but also social and political thought throughout the world Democracy in Modern Europe surveys the conceptual history of democracy in modern Europe from the Industrial Revolutions of the nineteenth century through both world wars and the rise of welfare states to the present era of the European Union Exploring individual countries as well as regional dynamics this volume comprises a tightly organized comprehensive and thoroughly up to date exploration of a foundational issue in European political and intellectual history Governing New European Democracies J. Blondel, F. Müller-Rommel, D. Malová, 2006-12-13 Governing New European Democracies is a fully comparative study of decision making processes in the cabinets of ten post communist countries of East Central and South Eastern Europe It is based on interviews collected from over 300 ministers This book provides the first comprehensive panorama of life in cabinet governments *Party Government in the New Europe* Hans Keman, Ferdinand Muller-Rommel, 2012-05-31 This truly comparative volume examines the life cycle of party governments in Europe from 1990 onwards and analyses its role and function in contemporary European parliamentary democracies The life and the performance of party governments in Europe became more and more volatile and publicly contested In some cases it has even challenge the democratic quality of the state This book presents comparative analyses of party governments from formation and duration to performance It brings together some of the foremost scholars researching on party government to evaluate existing theories and compare both the developments in the Western and the new Eastern Europe in an empirically grounded comparative analysis The book discusses the interaction between various institutions political parties and policies and evaluates how institutional change and party behaviour can drive the life cycle of party government Party Government in the New Europe will be of interest to students and scholars of Comparative Politics Democracy Government and European Politics *Contemporary Europe* Richard Sakwa, Anne Stevens, 2012-03-28 This fully revised third edition provides a wide ranging introduction to political economic and social life across the whole continent Ideal for students new to the subject this popular text stimulates fresh thinking on issues and debates *Rebellen in het parlement* Sam Depauw, 2002

Referendums and Representative Democracy Maija Setälä, Theo Schiller, 2009-09-10 This volume analyses how the use of referendums affects the central functions and characteristics of representative democracy It provides a balanced account of the interaction between referendums and representative institutions and actors seeking to evaluate whether referendums supplement or undermine representative democracy Considering both normative and empirical questions the volume also

examines the particular circumstances under which referendums strengthen or weaken representative democracy Providing a variety of theoretical and methodological approaches used in the study of referendums this book is divided into three sections Referendums and the Models of Democracy The Demand of Referendums Party Ideologies and Strategies and Referendum Campaigns and Voter Behaviour It features case studies on Ireland Israel Canada California Italy Liechtenstein Switzerland the Nordic Countries the Netherlands Spain and the EU Constitutional Treaty In addition to system level evaluations of referendums studies on the ideological attitudes of political actors and strategic use of referendums the volume also provides analyses of referendum campaigns and voters choices in referendums Covering referendums on European integration the volume also demonstrates how supra national governance gives rise to the demand of referendums This volume will be of interest to students and scholars of political science political theory comparative politics and European studies

Green Parties and Political Change in Contemporary Europe Michael O'Neill, 2019-05-20 Published in 1997 This book offers an up to date guide to the Green parties of Western Europe as the optimism of the 1980s confronts the Green fatigue of the 1990s The approach is both thematic and comparative Green politics in Europe is located in its historical and cultural context There is a comparative analysis of the principal ideological questions policy issues and strategic dilemmas that have confronted the European Greens There are national profiles of Green politics throughout the European Union The conclusion addresses the critical issue of political change in post industrial societies It discusses the contribution of Green parties to the New Politics and assesses their likely impact on post modern politics
