Americans by Heart William Perez, 2015-04-24 Americans by Heart examines the plight of undocumented Latino students as they navigate the educational and legal tightrope presented by their immigration status Many of these students are accepted to attend some of our best colleges and universities but cannot afford the tuition to do so because they are not eligible for financial aid or employment For the few that defy the odds and manage to graduate their status continues to present insurmountable barriers to employment This timely and compelling account brings to light the hard work and perseverance of these students and their families their commitment to education and civic participation and their deep sense of uncertainty and marginality Offering a rich in depth analysis the author presents a new framework for educational policies that recognizes the merit and potential of undocumented Latino students and links their situation to larger social and policy issues of immigration reform and higher education access

Competence Roberta R. Greene, Nancy Kropf, 2017-07-28 The actions social workers take are aimed at helping people communities and societies attain a sense of mastery become or remain competent and achieve or retain a sense of well being Such a broad scope of practice necessitates a theoretical foundation that is anchored in the concept of human competence This text explores the concept of competence and shows how it is expressed in a variety of

theoretical frameworks including traditional models and emerging theoretical approaches This approach toward human behavior focuses on mutually beneficial interactions between people and society and emphasizes the connections between individuals and various systems that influence their lives It enables the social worker to conduct multilevel client assessments gaining an understanding of how clients function within their total environment and plan a range of helpful interventions The volume is organized around the competency based approach to social work education adopted by the Council on Social Work Education Written by leading analysts in the field Competence is essential reading for the field of social work
