Primary English Curriculum Guide Fulton Study Guides:

Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice *The Primary English Encyclopedia* Margaret Mallett, 2008-03-25 A comprehensive user friendly and interesting reference book that explains key concepts ideas and current requirements in primary English Includes over 600 entries short definitions of key concepts e g parts of speech succinct explanations of current UK requirements extended entries on major topics such as speaking and listening reading writing drama bilingualism and children's literature up to date information and discussion of important issues key references and accounts of recent research findings a Who's Who of Primary English *The Literate Classroom* Prue Goodwin, 2010-12-16 Now in its third edition *The Literate Classroom* offers essential information and advice from leading experts about the teaching of primary English to students NQTs and less confident teachers of literacy Presenting a range of refreshing and challenging viewpoints from experienced classroom practitioners this book describes how the theory behind key areas of literacy teaching can be transformed into realistic learning experiences within the classroom Split into five sections this book outlines effective measures in inspiring children to become confident with all aspects of literacy through speaking and listening creative approaches to reading and writing and new experiences with poetry and drama This fully updated edition includes shared and guided reading and writing guidance on literacy teaching with EAL pupils comprehension through response to children's literature working with drama ICT poetry and language study new chapters on speaking and listening reading aloud to children and children's development as independent readers This accessible and informative collection is a must have for all trainee and practising teachers as well as teaching assistants and support workers looking to enhance literacy learning in the primary classroom **Understanding Children's Books** Prue Goodwin, 2008-06-24 Children's books play a vital role in education and this book helps you to choose books that have the most to offer young children Each chapter reflects on a different theme or genre and their role in educational settings and recommends ten must reads within each one The themes covered include books for babies literature for the very young narrative fiction books in translation poetry picture books graphic texts Early years professionals childcare professionals and teachers working from nursery to Key Stage 3 will find this book a fascinating and useful resource **Creative English, Creative Curriculum** Paul Gardner, 2014-02-25 Combining theory with practical examples *Creative English Creative Curriculum* will stimulate students and teachers to be

adventurous and creative in their teaching while covering the main strands of the Primary National Strategy for English narrative non fiction and poetry This book reflects the new emphases on speaking and listening contextualises recent changes to the English curriculum reviewing models of best practice provides practical examples and research evidence of creative approaches to the teaching of English considers the cross curricular aspects in creating a thematic approach to teaching and learning This book will appeal to both students and practising teachers in the primary school who either wish to implement creative approaches to their English teaching or are undertaking extended study for a Masters Degree

Challenging the Gifted Child Margaret Stevens, 2008-10-15 This book outlines an approach for encouraging able children to focus their active minds in a productive way and discover the joy of reading It encourages the development of independent learning skills and will help parents and educators to create a personalized reading programme for a gifted child at home or small groups of children in school

Promoting Learning for Bilingual Pupils 3-11 Jean Conteh, 2006-08-07 This accessible resource includes guidance on developing whole school policies improving classroom practice promoting home school collaboration and creating positive classroom settings to promote learning

Bringing Poetry Alive Michael Lockwood, 2011-06-13 Offering a wealth of ideas and support for ways to really bring poetry alive this book draws on what is known to work and explores fresh thinking It will help both new and experienced teachers approach poetry with imagination and confidence Written by people who have taught poetry in different settings for many years and with contributions from poets Michael Rosen and James Carter this book offers ideas on using drama cross curricular working what to do with younger learners inspiring children to write their own poems and much more An enjoyable and uplifting book it is a must for anyone working with children aged 5 to 14 who is looking for inspiration for their poetry teaching Michael Lockwood is Senior Lecturer in English and Education University of Reading

Science 5-11 Kendra McMahon, Alan Howe, Chris Collier, Sarah Earle, Dan Davies, 2017-07-14 This third edition of the bestselling textbook Science 5 11 has been fully updated to provide a synthesis of research and best practice in teaching and learning that focuses on successful ways to engage and motivate young scientists Responding to the new curriculum particularly Working Scientifically this edition now includes New sections on whole school assessment mentoring transitions and a topics based approach Reference to the big ideas of biology chemistry and physics with chapters clearly related to this new subject structure Updated tables of progression in each topic area and reference to cross curricular contexts New self assessment questions for teachers the option for higher level thinking and further reading An updated chapter on subject leadership with an increasing emphasis on monitoring progress Bringing together research undertaken from a range of activities in the field this book forms a comprehensive and clear guide outlining the subject knowledge that a teacher needs the curriculum requirements and the best ways to go about teaching A practical guide ideal for students trainees mentors and other practising teachers the book provides information on appropriate science topics for Key Stage 1 and 2

Inclusive

Schools, Inclusive Society Race On The Agenda, 1999 This book is a manual for planning and taking action against racism in schools Its implementation will improve schooling for all children not just those from ethnic minority groups It clearly sets out the issues the statistics and the research that show which groups are failed by schools and why and then moves to a range of solutions It is compiled by leading United Kingdom experts in the field of education and race who have consulted widely and is certainly one of the most authoritative books available on the subject It is designed to be photocopied
