Shoulders Stand Choosing Empowering Others:

Transforming Pain to Power Daniel Beaty, 2014-03-04 Pain doesn't last always Sometimes only for a night Try not to resist It hurts the more we fight Overcoming life's difficulties is daunting At times it seems the burdens that we bear are too painful to overcome They keep us from even trying to accomplish the things we want most It seems the only way to outlast the pain is to ignore it when in truth the only way to discover the unlimited potential inside of us all is to embrace the pain face the Authentic Self at our core and use the strength therein to triumph over any obstruction in our way Based on his powerful true journey from a childhood rife with poverty incarceration addiction and rage to the successful adult life he achieved award winning performer writer and motivational speaker Daniel Beaty presents the tools that readers need to overcome any obstacle and tap into their full capabilities By outlining an alternative mode of thinking especially for the modern African American man bombarded by negative stereotypes in the media Beaty empowers the individual and encourages readers of all backgrounds to learn from their cultural and family heritage while forgiving and letting go of the negative so that only the positive remains Beaty's story supported by deeply personal advice from notable mentors such as Bill Cosby Leontyne Price Sydney Poitier Ossie Davis and Ruby Dee serves as a strong reminder that success is ultimately possible not in spite of struggles but as a result of lessons learned and power drawn from those lessons The Sickness of American Behavior

Joseph Ngoma, 2025-09-26 The Sickness of American Behavior When Freedom Becomes Bondage and Comfort Becomes Poison America is known for wealth power and influence But beneath the surface lies a growing sickness Pride in knowledge obsession with beauty addiction to busyness political division fear of truth and shallow faith are eroding the foundations of families churches and communities What the nation calls freedom has too often become slavery to sin In this piercing and prophetic book Joseph Ngoma exposes the spiritual diseases weakening America and spreading across the world Drawing from Scripture and real life examples he confronts the idols of comfort entertainment and materialism and calls the church back to its true authority in Christ Yet this is not only a book of warning it is a book of hope Healing is possible Families can be restored churches can be revived and communities can rediscover covenant love Renewal begins with humility truth and returning to the Kingdom of God If my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways then I will hear from heaven and I will forgive their sin and will heal their land 2 Chronicles 7:14 This is more than a book it is a call to repentance revival and responsibility The sickness is deep but God's healing is deeper The choice before America and the world is clear return to God and live **this bridge we call home** Gloria
