The 2011 Guide to Free Or Nearly-Free E-Books, 2011. One of the problems which face all librarians adding e books to their collections is that of bibliographic control: there is no legal deposit for e books and consequently there is no single place from which new titles can be found. If this is true of commercially published e books, it is most certainly also true of free e books, and there are many thousands of free e books available over the Internet, many of which are of a quality such that librarians might wish to have them in their collections. The 2011 Guide to Free or Nearly Free e Books is offered as a tool for librarians and others involved in book selection, e.g. teachers in schools in all sectors, school, further and higher education, public and special libraries, to facilitate easy access to free e books and e book collections which can enhance their digital library.
