Simply Grateful Regina D. Fowler, 2022-01-28 Ephesians 3:20 This scripture is not simply saying God is able to bless us in a great way or with abundance of course He can and does It is telling us that God is able to exceed what we as mere humans consider to be abundance If we think what we have is an abundance then we have fallen short on our understanding of what God can do If we can imagine it then God can exceed it Therefore after the phrase exceeding abundantly comes the phrase above all that we ask or think God does not limit what He can do for us only we can do that according to the power that worketh in us In other words only our level of faith in God limits how far He exceeds our expectations Be clear abundance is not just about how much money or material possessions we have it's more about the peace we can experience amid our abundance *Every Age, Every Stage* Ken Hindman, Landry Holmes, Jana Magruder, 2021-10-12 Today's parents feel ill equipped to spiritually train and educate their preschoolers elementary kids and teenagers Based on the principle that kids and teens learn and comprehend concepts differently as they grow in maturity Every Age Every Stage provides an age suitable discipleship approach equipping parents to teach their children biblical truths from the ten concept areas of God Jesus Holy Spirit Bible Salvation Creation Church People Family and Community and World The wise discipleship plan presented in Every Age Every Stage is known as Levels of Biblical Learning This framework for babies through teens was developed over a period of several years by thought leaders in preschool kids student and next gen ministries Levels of Biblical Learning has been taught at workshops colleges and seminaries and incorporated in Bible Study curriculum The book also will assist ministry leaders and teachers as they prepare a vision for their ministries and teach biblical concepts in the classroom putting children and teens on the right path to a life of growth in biblical knowledge *Strivings* Stuart I.
