Healing Lyme Disease Coinfections Stephen Harrod Buhner, 2013-05-05 A guide to the natural treatment of two of the most common and damaging coinfections of Lyme disease Bartonella and Mycoplasma Reveals how these conditions often go undiagnosed complicate Lyme treatment and cause a host of symptoms from arthritis to severe brain dysfunction Outlines natural treatments for both infections with herbs and supplements for specific symptoms and to combat overreactions of the immune system Reviews the latest scientific research on Bartonella and Mycoplasma coinfections and how treatment with antibiotics is often ineffective Each year Harvard researchers estimate there are nearly 250 000 new Lyme disease infections only 10 percent of which will be accurately diagnosed One of the largest factors in misdiagnosis of Lyme is the presence of other tick borne infections which mask or aggravate the symptoms of Lyme disease as well as complicate treatment Two of the most common and damaging Lyme coinfections are Bartonella and Mycoplasma Nearly 35 million people in the United States are asymptotically infected with each of these pathogens and at least 10 percent will become symptomatic every year with symptoms ranging from arthritis to severe brain dysfunction Distilling hundreds of peer reviewed journal articles on the latest scientific research on Bartonella Mycoplasma and Lyme disease Stephen Buhner examines the complex synergy between these infections and reveals how all three can go undiagnosed or resurface after antibiotic treatment He explains how these coinfections create cytokine cascades in the body essentially sending the immune system into an overblown uncontrolled response in much the same way that rheumatoid arthritis or cancer can Detailing effective natural holistic methods centered on herbs and supplements such as the systemic antibacterial herb Sida acuta which acts to protect blood cells from invading organisms he reveals how to treat specific symptoms interrupt the cytokine cascades and bring the immune system back into balance as well as complement ongoing Lyme disease treatments

The Vitamin Cure for Arthritis Robert G. Smith, Ph.D., Todd Penberthy, 2015-01-01 The general explanation for the cause of arthritis is that over time our joints simply wear out that is the cartilage that lubricates the ends of the bones simply gets worn thinner and thinner until one bone wears directly on another causing pain and lowering our quality of life It stands to reason that wear and tear is responsible for some of the damage It is considered a progressive disease meaning that once the symptoms are diagnosed they tend to get worse Yet arthritis can be reversed The process of degradation and regrowth in a joint is a dynamic process that continues throughout life Arthritis results when the joint does not recover from damage Most people may not realise it but they have a direct influence on the current and future health of their joints through their nutritional behaviour With the proper knowledge we can prevent degeneration from taking hold by improving our body's regeneration processes This book offers natural weapons we can use to defend and protect our joints from the destructive effects of poor nutrition and time This clear readable book describes the composition of joints and how they work within the body how normal healthy joints are supported and what can go wrong It describes the degenerative diseases that affect joints and explains the basis of orthomolecular natural megavitamin medicine from a scientific

perspective There are several types of arthritis but they all involve degeneration of the joints and tissues surrounding them This book covers the different types Including Osteoarthritis OA Rheumatoid arthritis RA Gout Arthritis caused by infections or inflammation such as Borreliosis Lyme Disease fibromyalgia and psoriasis And more THE VITAMIN CURE FOR ARTHRITIS explains each form of arthritis and current and new medical treatments for them More importantly it describes the nutritional approach to help sufferers prevent further progress of the disease and even reverse it **Library Journal** ,2000-04 **The Publishers Weekly** ,2000 **American Book Publishing Record** ,2000-07
