Reincarnation, Oblivion or Heaven? Bobby Bose, 2016-07-31 What is death? Why do we die, and what happens after we die? Over the centuries, philosophers and theologians of the world's religions have offered answers to the dilemma of death, yet this subject is rarely given the detailed attention it deserves in the contemporary Christian church. As Christians, how does our view of death impact the communication of the gospel in today's pluralistic societies? In this study, Dr. Bobby Bose not only develops a solid biblical theology of death; he also reviews the teachings of contemporary and historical Christian theologians around the world and examines the state-after-death beliefs of Hindus, Muslims, and Secular Humanists. The author shows that state-after-death was a central component of conversation in the early church and is also a major component of God's mission to rescue humanity. As the East converges with the West, it is vital that Christians develop a missiological approach to state-after-death that will encourage positive engagement with people of other faiths and beliefs. [A Year with Timothy Keller](#) Timothy Keller, 2023-11-09 The gospel is this: we are more sinful and flawed in ourselves than we ever dared believe, yet at the very same time we are more loved and accepted in Jesus Christ than we ever dared hope. Timothy Keller, 1950-2023.

Through selected extracts from Tim's most beloved works *A Year With Timothy* Keller guides you through the seasons offering a thought for the day on topics such as prayer forgiveness loving our neighbours the importance of work and the hope of the resurrection Each entry begins with a Bible verse from the NIV to frame the day's reading *A Year with Timothy* Keller is a carefully curated devotional the perfect gift for both new and long term admirers of Tim's words and wisdom
