Amos, 2013-10-22 Palestinian Resistance Organization of a Nationalist Movement presents the Palestinian conflict as a consequence of the emergence of Arab and Jewish nationalism in the 19th century This book discusses the variables that intersect to produce Resistance politics Organized into 11 chapters this book begins with an overview of the increasing threat to international stability of Middle Eastern conflicts in terms of global impact and military destructiveness This text then examines the emergence of Palestinian nationalism that is connected with the appearance and growth of the Palestinian Resistance Movement Other chapters consider the more complex relationships that developed over time between the various guerilla groups and established Arab governments This book discusses as well the importance of the ANM in providing an infrastructure of political and logistic support that extend throughout the Arab world The final chapter deals with the concept of protracted social conflict This book is a valuable resource for politicians teachers and students *The British and the Greek Resistance, 1936-1944* André Gerolymatos, 2018-04-30 Between 1941 and 1944 the Germans and the Italians imposed a brutal occupation of Greece This as well as the outbreak of famine drove many Greeks to join a variety of resistance movements in the mountains The British government anticipated the German occupation of Europe and created the Special Operations Executive SOE One directorate of the SOE was responsible for partisan activity in the mountains and another

directorate focused on encouraging espionage and sabotage in Greek cities Over 3000 Greeks and British operated espionage networks that made a significant contribution to the war effort in the Mediterranean Unfortunately the work of the spy and saboteur working in the shadows remained classified until the end of the twentieth century The release of SOE documents in the twenty first century provides an amazing insight into how intelligence operations were a critical part of the Allied victory of the Second World War The aim of the book is to bring to life the stories of the ghosts of the shadow war Antimicrobial Resistance in Foodborne Pathogens: ecology, epidemiology, and mechanisms Jing Wang,Guojie Cao,Bao-Tao Liu,2022-08-04
