Beatrice Heuser, Eitan Shamir

Resisting Rebellion The History And Politics Of Counterinsurgency:

Resisting Rebellion Anthony James Joes, 2006-08-18 In *Resisting Rebellion* Anthony James Joes explores insurgencies ranging across five continents and spanning more than two centuries Analyzing examples from North and South America Europe Africa and the Middle East he identifies recurrent patterns and offers useful lessons for future policymakers Insurgencies arise from many sources of discontent including foreign occupation fraudulent elections and religious persecution but they also stem from ethnic hostilities the aspirations of would be elites and traditions of political violence Because insurgency is as much a political phenomenon as a military one effective counterinsurgency requires a thorough understanding of the insurgents motives and sources of support Clear political aims must guide military action if a counterinsurgency is to be successful and prepare a lasting reconciliation within a deeply fragmented society The most successful counterinsurgency campaign undertaken by the United States was the one against Philippine insurgents following the Spanish American War But even more instructive than successful counterinsurgencies are the persistent patterns of errors revealed by Joes s comparative study Instances include the indiscriminate destructiveness displayed by the Japanese in China and the Soviets in Afghanistan and the torture of suspected Muslim terrorists by members of the French Army in Algeria Joes s comprehensive twofold approach to counterinsurgency is easily applied to the U S The first element developing the strategic basis for victory emphasizes creating a peaceful path to the redress of legitimate grievances committing sufficient troops to the counterinsurgent operation and isolating the conflict area from outside aid The second element aims at marginalizing the insurgents and includes fair conduct toward civilians and prisoners systematic intelligence gathering depriving insurgents of weapons and food separating insurgent leaders from their followers and offering amnesty to all but the most incorrigible Providing valuable insights into a world of conflict *Resisting Rebellion* is a thorough and readable exploration of successes and failures in counterinsurgency s long history and a strategy for the future

A History of Counterinsurgency Gregory Fremont-Barnes, 2015-05-05 This two volume history of counterinsurgency covers all the major and many of the lesser known examples of this widespread and enduring form of conflict addressing the various measures employed in the attempt to overcome the insurgency and examining the individuals and organizations responsible for everything from counterterrorism to infrastructure building How and when should counterinsurgency be pursued as insurgency is growing in frequency and conversely while conventional warfare continues to decline as a means by which political rivals seek to impose their will upon each other What lessons from the past should today s policymakers strategists military leaders and soldiers in the field keep in mind while facing off against 21st century insurgents This two volume set offers a comprehensive history of modern counterinsurgency covering the key examples of this widespread and enduring form of conflict It identifies the political military social and economic measures employed in attempting to overcome insurgency examining the work of the individuals and organizations involved demonstrating how success and failure dictated

change from established policy and carefully analyzing the results Readers will gain valuable insight from the detailed assessments of the history of counterinsurgency that demonstrate which strategies have succeeded and which have failed and why After an introductory essay on the subject each chapter provides historical background to the insurgency being addressed before focusing on the specific policies pursued and actions taken by the counterinsurgency force Each section also provides an assessment of those operations including in most cases an analysis of lessons learned and where appropriate their relevance to counterinsurgency operations today The set s coverage spans modern counterinsurgencies from Europe to Asia to Africa since 1900 and includes the ongoing counterinsurgency operations in Afghanistan today Its wide international approach to the subject makes the set a prime resource for readers seeking specific information on a particular conflict or a better understanding of the general theories and practices of counterinsurgency

Counterinsurgency in Modern Warfare Daniel Marston, Carter Malkasian, 2011-03-15 A fascinating discussion of the development of counterinsurgency by experts in the field Throughout history armies of occupation and civil power have been faced with the challenges of insurgency British and American involvement in Iraq and Afghanistan has highlighted this form of conflict in the modern world Armies have had to adopt new doctrines and tactics to deal with the problems of insurgency and diverse counterinsurgency strategies have been developed Here fourteen authors examine the development of counterinsurgency from the early 20th century to the present Including information on the Arab Israeli conflict Afghanistan and Iraq this book is a timely and accessible survey of a critical facet of modern warfare This new paperback edition features a revised introduction updated chapters on Iraq and Afghanistan and a completely new chapter on Columbia by expert Thomas Marks

Special Warfare ,2007 **Armed Groups and the Balance of Power** Anthony Vinci, 2008-09-09 This new book provides a framework for understanding the international relations of armed groups including terrorist organizations insurgencies and warlords which play an increasingly important role in the international system Specifically the book argues that such groups can be understood as taking part in the balance of power with states and other armed groups as they are empirically sovereign non state actors that are motivated by the pursuit of power and exist as part of an anarchic self help system This radically new approach offers a renewed conceptualization of Neorealism and provides new insights into debates about sovereignty non state actors new wars counterterrorism and counterinsurgency The approach is illustrated through case studies on Somali warlords the security complex between the Lord s Resistance Army LRA Sudanese People s Liberation Army SPLA Sudan and Uganda as well as Al Qaeda The book provides insights into such issues as how non state actors can be integrated into structural theories of international relations and also offers pragmatic methodologies for the foreign policy or military practitioner such as how to best deter terrorists

The Rise of the Narcostate John P. Sullivan, 2018-08-30 This book is our sixth Small Wars Journal El Centro anthology covering writings published between 2016 and 2017 The theme of this anthology pertains to the rise of the narcostate mafia states as a result of the collusion between criminal organizations and political elites essentially

authoritarian regime members corrupted plutocrats and other powerful societal elements The cover image of the mass demonstration concerning the disappearance of the forty three Ayotzinapa Teachers College students held at Mexico City's Zocalo Plaza in November 2014 provides an archetype of this anthology's theme This anthology includes the following special essays Preface New Wars and State Transformation by Robert Muggah Igarap Institute Foreword Crime and State Making by Vanda Felbab Brown The Brookings Institution Postscript Crime Drugs Terror and Money Time for Hybrids by Alain Bauer CNAM Paris and Afterword The Rise of the Oligarchs by Col Robert Killebrew US Army Ret Dave Dilegge SWJ Editor in Chief

U.S. Marines and Irregular Warfare, 1898-2007, 2008 Product Description Since the tragic events of 9 11 and the consequent advent of the Global War on Terrorism there has been a remarkable surge of interest in counterinsurgency This anthology presents 27 articles on counterinsurgency and irregular warfare particularly highlighting and examining the U S Marine Corps roles in conflicts from 1898 through 2007 It also includes an extensive bibliography of works on these conflicts Continuing discussion and study of these subjects is of critical importance to the ongoing efforts of the United States and its allies in the Global War on Terrorism The anthology is divided broadly into two halves the first half presents historical examples of counterinsurgency involving the United States from the Philippines and the Banana Wars up through Vietnam while the second half addresses the nation's contemporary efforts in this regard Articles cover the situations in Iraq Afghanistan and the Horn of Africa The selected bibliography addresses a broad range of subjects on higher end operational strategic level of war considerations on geopolitical context and on a varied array of related topics political theory historical case studies failed states cultural studies and analysis and many others that all provide context or play a role in conducting a counterinsurgency and achieving success in the realm of irregular warfare Colonel Stephen S Evans USMCR researched and compiled this work as a field historian with the Marine Corps History Division He has experience at various operational levels both joint and multinational in CONUS and overseas and has performed duty with all three MEFs MARFORLANT

MARFOREUR and U S forces in Korea He has also held a range of positions in administrative and educational roles at Quantico and the Pentagon Colonel Evans holds a doctorate in history from Temple University and has published two historical monographs **Insurgency and Counter-Insurgency in Iraq** Ahmed S. Hashim, 2011-02-23 Years after the U S invasion of Iraq a loosely organized insurgency continues to target American and Coalition soldiers as well as Iraqi security forces and civilians with devastating results In this sobering account of the ongoing violence Ahmed Hashim a specialist on Middle Eastern strategic issues and on irregular warfare reveals the insurgents behind the widespread revolt their motives and their tactics The insurgency he shows is not a united movement directed by a leadership with a single ideological vision Instead it involves former regime loyalists Iraqis resentful of foreign occupation foreign and domestic Islamist extremists and elements of organized crime These groups have cooperated with one another in the past and coordinated their attacks but the alliance between nationalist Iraqi insurgents on the one hand and religious extremists has frayed considerably The U S

led offensive to retake Fallujah in November 2004 and the success of the elections for the Iraqi National Assembly in January 2005 have led more mainstream insurgent groups to begin thinking of reinforcing the political arm of their opposition movement and to seek political guarantees for the Sunni Arab community in the new Iraq Hashim begins by placing the Iraqi revolt in its historical context He next profiles the various insurgent groups detailing their origins aims and operational and tactical modi operandi He concludes with an unusually candid assessment of the successes and failures of the Coalition's counter insurgency campaign Looking ahead Hashim warns that ethnic and sectarian groups may soon be pitted against one another in what will be a fiercely contested fight over who gets what in the new Iraq Evidence that such a conflict is already developing does not augur well for Iraq's future stability Both Iraq and the United States must work hard to ensure that slow but steady success over the insurgency is not overshadowed by growing ethno sectarian animosities as various groups fight one another for the biggest slice of the political and economic pie In place of sensational headlines official triumphalism and hand wringing *Insurgency and Counter Insurgency in Iraq* offers a clear eyed analysis of the increasingly complex violence that threatens the very future of Iraq

Insurgencies and Counterinsurgencies Beatrice Heuser, Eitan Shamir, 2016 A study of the evolving national styles of conducting insurgencies and counter insurgency as influenced by transnational trends ideas and practices

Encyclopedia of Violence, Peace, and Conflict, 2008-09-05 The 2nd edition of *Encyclopedia of Violence Peace and Conflict* provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world

Resisting Rebellion The History And Politics Of Counterinsurgency Introduction

In today's digital age, the availability of Resisting Rebellion The History And Politics Of Counterinsurgency books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Resisting Rebellion The History And Politics Of Counterinsurgency books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Resisting Rebellion The History And Politics Of Counterinsurgency books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Resisting Rebellion The History And Politics Of Counterinsurgency versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Resisting Rebellion The History And Politics Of Counterinsurgency books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Resisting Rebellion The History And Politics Of Counterinsurgency books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for

Resisting Rebellion The History And Politics Of Counterinsurgency books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Resisting Rebellion The History And Politics Of Counterinsurgency books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Resisting Rebellion The History And Politics Of Counterinsurgency books and manuals for download and embark on your journey of knowledge?

FAQs About Resisting Rebellion The History And Politics Of Counterinsurgency Books

1. Where can I buy Resisting Rebellion The History And Politics Of Counterinsurgency books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
