Rethinking Modernity And National Identity In Turkey Publications On The Near East:

Rethinking Modernity and National Identity in Turkey Sibel Bozdoğan, Resat Kasaba, 2011-11-15 In the first two decades after WW II social scientists heralded Turkey as an exemplar of a modernizing nation in the Western mold Images of unveiled women working next to clean shaven men healthy children in school uniforms and downtown Ankara's modern architecture all proclaimed the country's success Although Turkey's modernization began in the late Ottoman era the establishment of the secular nation state by Kemal Atatürk in 1923 marked the crystallization of an explicit elite driven project of modernity that took its inspiration exclusively from the West The essays in this book are the first attempt to examine the Turkish experiment with modernity from a broad interdisciplinary perspective encompassing the fields of history the social sciences the humanities architecture and urban planning As they examine both the Turkish project of modernity and its critics the contributors offer a fresh balanced understanding of dilemmas now facing not only Turkey but also many other parts of the Middle East and the world at large Books on Turkey, 2005

Organized Muslim Women in Turkey Ayşe Dursun, 2022-10-25 This book explores the politics of organized Muslim women in Turkey and analyzes their coalitions with other secular feminist Kurdish etc women's movements from an intersectional perspective It provides empirical evidence for significant changes in Muslim women's politics under the ruling Justice and Development Party AKP and points to the increasing difficulty to build cross movement women's coalitions in the face of rising religious conservatism and authoritarianism under the AKP rule While feminist Muslim women who display an intersectional understanding of structural inequality and oppression are found to be more resilient in the face of political pressure conservative Muslim women dodge women's coalitions and align with the government's discourses and policies Empirical evidence based on interviews with organized Muslim women also shows that prospects for coalition building largely depends on the specific societal and institutional re configurations of patriarchy along with other relations of domination rather than mere ideological difference among women This book will be of interest to scholars and students across Gender Studies Sociology and Political Science particularly those whose research focuses on intersectionality and social movements

Modernism and the Middle East Sandy Isenstadt, Kishwar Rizvi, 2011-03-01 This provocative collection of essays is the first book length treatment of the development of modern architecture in the Middle East Ranging from Jerusalem at the turn of the twentieth century to Libya under Italian colonial rule postwar Turkey and on to present day Iraq the essays cohere around the historical encounter between the politics of nation building and architectural modernism's new materials methods and motives Architecture as physical infrastructure and as symbolic expression provides an exceptional window onto the powerful forces that shaped the modern Middle East and that continue to dominate it today Experts in this volume demonstrate the political dimensions of both creating the built environment and subsequently inhabiting it In revealing the tensions between achieving both international relevance and regional meaning Modernism in the Middle East affords a dynamic view of the ongoing

confrontations of deep traditions with rapid modernization Political and cultural historians as well as architects and urban planners will find fresh material here on a range of diverse practices

Routledge Handbook on Turkish Literature Didem Havlioğlu,Zeynep Uysal,2023-04-10 This Handbook provides a comprehensive overview of Turkish literature within both a local and global context Across eight thematic sections a collection of subject experts use close readings of literature materials to provide a critical survey of the main issues and topics within the literature The chapters provide analysis on a wide range of genres and text types including novels poetry religious texts and drama with works studied ranging from the fourteenth century right up to the present day Using such a historic scope allows the volume to be read across cultures and time while simultaneously contextualizing and investigating how modern Turkish literature interacts with world literature and finds its place within it Collectively the authors challenge the national literary historiography by replacing the Ottoman Turkish literature in the Anatolian civilizations with its plurality of cultures They also seek to overcome the institutional and theoretical shortcomings within current study of such works suggesting new approaches and methods for the study of Turkish literature The Routledge Handbook on Turkish Literature marks a new departure in the reading and studying of Turkish literature It will be a vital resource for those studying literature Middle East studies Turkish and Ottoman history social sciences and political science

Forming the Modern Turkish Village Özge Sezer,2022-11-07 During the early republican period architectural interventions in rural Turkey took the form of social engineering as part of the state s modernization and nationalization policies zge Sezer demonstrates how the state s particular programs had a powerful effect on rural life in the countryside She examines the regime s goals and strategies for controlling the rural people through development projects and demographic shaping to create a strong Turkish identity and a loyal citizenry The book outlines the implementation of new rural settlements particularly following the 1934 Settlement Law with a geographic focus on two cities Izmir and Elazig with varied socio economic and ethnic standing in the state program

A Pearl in Peril Christina Luke,2018-12-11 A Pearl in Peril investigates the intersection of diplomacy and heritage in Turkey American and European approaches to assistance are explored through the lens of the 1919 Paris Peace Conference the League of Nations and UNESCO s promise

Bounded Integration Aviad Rubin,2020-12-01 In this comparative study of the religion state relationship in Turkey and Israel in the modern era Bounded Integration reveals the influence this dynamic interaction has had on democratic performance in both countries In societies where a dominant religion serves as an important component of individual and collective identity the imposition of secular policies from above may not facilitate democratization but may rather impede the embedding of democracy in society Moreover the inclusion or exclusion of religion following statehood may facilitate a certain type of path dependent political culture one with long term political consequences Aviad Rubin s refreshing analytical approach comparing and contrasting the region s only two longstanding democratic entities and the dynamics of religion and the state in two different religions Islam and Judaism facilitates generalizable lessons for emergent

political regimes in the post Arab Spring Middle East *The Cambridge History of Turkey* Kate Fleet, Suraiya Farooqi, Reşat Kasaba, 2006 Publisher Description **Routledge Handbook of Diplomacy and Statecraft** B.J.C. McKercher, 2012-03-12
