Approaches and Methods in Language Teaching Jack C. Richards,Theodore S. Rodgers,2001-03-12 In addition to the approaches and methods covered in the first edition this edition includes new chapters such as whole language multiple intelligences neurolinguistic programming competency based language teaching co operative language learning content based instruction task based language teaching and The Post Methods Era

Beyond Training Jack C. Richards,1998-02-13 Beyond Training examines the nature of second language teacher development and how teachers practices are influenced by

their beliefs and principles It seeks to move discussion of language teacher development beyond the level of training which reflects a technical view of specific teaching practices Instead it takes a more holistic approach to teacher development built on the notion of the teacher as critical and reflective thinker The argument pursued throughout is that teacher education needs to engage teachers not merely in the mastery of techniques but in an exploration of the knowledge beliefs and attitudes that underly their teaching practices *Lessons from Good Language Learners* Carol Griffiths, 2008-04-03 This book considers the strategies used by successful language learners in the light of current thinking and research

Interactive Language Teaching Wilga M. Rivers, 1987-02-27 Teachers and writers describe the approaches and techniques they have incorporated into their own teaching The paperback edition is designed to help classroom teachers make language classes more participatory and communication oriented A distinguished group of innovative teachers and writers describe in a collection of essays the approaches and techniques they have incorporated into their own teaching
