Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans

Can you Handle this Messiah? Ian Traill,2010 Jesus Christ is God the living Word who became flesh through His miraculous conception by the Holy Spirit and His virgin birth Therefore He is perfect Deity and true humanity united in one person forever He lived a sinless life and voluntarily atoned for the sins of men by dying on the cross as our substitute thus satisfying divine justice and accomplishing salvation for all who trust in Him alone It is His life the Word made flesh that we will look at in detail in this book His personality and ministry as set out in the Gospels By understanding His personality I hope to develop a revelation in your heart of how Emmanuel God with us can enable you to see how Jesus can identify with your infirmities By studying His personality and His ministry it is hoped that all readers will develop a fuller understand of His attributes so that all can have a healthy perspective of who He is The reason I say this is that many artists have tried to capture the personality Jesus Christ on canvas but sad to say they have never been able to encapsulate every attribute or a true perspective of our great God Jesus Jesus is the Living Word and therefore we need only to delve into the written Word of God to get a clear picture of Him He is found in the Word of God and that will leave a deep impression in your heart

Left Behind and Loving It D. Mark Davis,2011-08-15 *Left Behind and Loving It* is a cheeky critique of popular writings about the end times Rather than presenting a steroid buffed Jesus wrapped in an American flag and coming again in clouds of gunfire *Left Behind and Loving It* invites readers to approach some of the most controversial and scary portions of the Scriptures with the utter confidence that God s steadfast love endures forever Rather than asserting a hope premised on a few chosen ones escaping the world *Left Behind and Loving It* argues that if it is Jesus who is to return and not his evil twin then the second coming has redemption written all over it Many today cannot accept the escapist violent end of the world scenario envisioned by *Left Behind* theology *Left Behind and Loving It* invites readers not to fear but to trust in God s steadfast love and look at the finitude of the world with hope in an infinitely loving God

Trusting God When Times Are Tough Ed Hindson,2011-08-01 No matter what you may be facing God is there to help you This message resonates throughout this encouraging resource from respected author and Bible teacher Ed Hindson In an inspiring new chapter about his recent personal illness and brush with death Hindson compassionately communicates how God s grace does not keep us from hardships but helps us through our tough times As readers struggling with rejection guilt fear depression temptation disappointment and more realize that God is always near they will begin to face crises with confidence turn problems into opportunities conquer anxiety stress and feelings of failure set realistic goals for change rest

in God's strength in every situation A strong biblical resource that offers a new outlook on life's disappointments and hurts Includes a special reference guide that looks at key difficulties people face and the Bible's answers to those problems
