Prostitution And Sexuality In Shanghai A Social History 1849 1949:

Prostitution and Sexuality in Shanghai Christian Henriot, 2001-04-23 Henriot portrays the sex trade in Shanghai from the life of the courtesan to street prostitution *The Sexual History of the Global South* Saskia Wieringa, Horacio Sívori, 2013-04-11 The Sexual History of the Global South explores the gap between sexuality studies and post colonial cultural critique Featuring twelve case studies based on original historical and ethnographic research from countries in Africa Asia and Latin America the book examines the sexual investments underlying the colonial project and the construction of modern nation states Covering issues of heteronormativity post colonial amnesia regarding non normative sexualities women s sexual agency the policing of the boundaries between the public and the private realm sexual citizenship the connections between LGBTQ activism and processes of state formation and the emergence of sexuality studies in the global South this collection is of great geographical historical and topical significance Reframing Prostitution N. Persak, G. Vermeulen, 2014-07-07 Prostitution has always fascinated the public and bewildered policy makers Reframing Prostitution explores several aspects of this multidimensional phenomenon examining different ways in which prostitution is and was being practised in different places and different times best practices in the regulation of prostitution as well as wider social and psychological issues such as the construction of prostitution as incivility or of prostitutes as a socially problematic group or as victimised individuals The book also addresses normative questions with respect to policy making unmasking the purposes behind certain societal reactions towards prostitution as well as proposing innovative solutions that could reconcile societal fears of exploitation and abuse while meeting the rights and needs of individuals voluntarily involved in prostitution With contributions across social science disciplines this international collection presents a valuable discussion on the importance of empirical studies in various segments of prostitution highlights social contexts around it and challenges regulatory responses that frame our thinking about prostitution promoting fresh debate about future policy directions in this area

Contemporary Studies on Modern Chinese History III Zeng Yeying, 2021-03-14 The study of modern Chinese history has developed rapidly in recent decades and has seen increased exploration of new topics and innovative approaches Resulting from a special issue of Modern Chinese History Studies this volume is devoted to showcasing the healthy development of Chinese modern history studies and has already been revised twice in the original language This three volume set exhibits major achievements in the study of modern Chinese history and shows how the role of history has been in debate transformation and re evaluation throughout this tortuous yet prosperous period This volume investigates the critical movements such as the Taiping Heavenly Kingdom Movement and the Chinese People s War of Resistance against Japanese aggression that contribute to the establishment of the People s Republic of China In addition it includes valuable summaries of various perspectives in modern Chinese history studies such as the translation of overseas studies and pioneering topics that historians have examined between 2009 and 2019 This book will benefit scholars and students of Chinese history

especially those who are interested in modern Chinese history **Global Women, Colonial Ports** Liat Kozma, 2017-01-25 Combines analysis of transnational prostitution and traffic in women with a social history of the League of Nations and interwar globalization Global Women Colonial Ports is a transnational history of state regulated prostitution in the Middle East and North Africa between the two world wars Beginning with international efforts to eradicate traffic in women and children Liat Kozma examines French and British policies regarding local and foreign prostitutes in the region and shows how these policies affected and interacted with global migration routes of prostitutes and procurers In so doing she reveals how colonial domination mediated global mobility of people practices and ideas Kozma weaves together the perspectives of colonial and local feminists with those of medical doctors demonstrating that debates on prostitution were globalized and that transnational networks of knowledge and activism existed She also explores the League of Nations involvement in this social issue As a history of the Middle East the book joins recent scholarship on modern globalization and the integration of the region in global economic activist social and religious interconnectedness Meticulously researched carefully written and compellingly argued this book breaks new ground Kozma looks across the region at a fascinating social issue regulated prostitution tying it to global concerns Moving adroitly from international law and urban planning to migration disease and abolition she helps craft a new understanding of mobility in the interwar period This is transnational history at its best Beth Baron author of The Orphan Scandal Christian Missionaries and the Rise of the Muslim Brotherhood **Gender and**

Sexuality in Modern Chinese History Susan L. Mann, 2011-09-19 Gender and sexuality have been neglected topics in the history of Chinese civilization despite the fact that there is a massive amount of historical evidence on the subject China's late imperial government was arguably more concerned about gender and sexuality among its subjects than any other pre modern state How did these and other late imperial legacies shape twentieth century notions of gender and sexuality in modern China Susan Mann answers this by focusing on state policy ideas about the physical body and notions of sexuality and difference in China's recent history from medicine to the theater to the gay bars from law to art and sports More broadly the book shows how changes in attitudes toward sex and gender in China during the twentieth century have cast a new light on the process of becoming modern while simultaneously challenging the universalizing assumptions of Western modernity

China and Ashkenazic Jewry: Transcultural Encounters Kathryn Hellerstein, Lihong Song, 2022-04-04 In the past thirty years the Sino Jewish encounter in modern China has increasingly garnered scholarly and popular attention This volume will be the first to focus on the transcultural exchange between Ashkenazic Jewry and China The essays here investigate how this exchange of texts and translations images and ideas has enriched both Jewish and Chinese cultures and prepared for a global inclusive world literature The book breaks new ground in the field covering such new topics as the images of China in Yiddish and German Jewish letters the intersectionality of the Jewish and Chinese literature in illuminating the implications for a truly global and inclusive world literature the biographies of prominent figures in Chinese

Jewish connections the Chabad engagement in contemporary China Some of the fundamental debates in the current scholarship will also be addressed with a special emphasis on how many Jewish refugees arrived in Shanghai and how much interaction occurred between the Jewish refugees and the resident Chinese population during the wartime and its aftermath

Gender in Chinese Music Rachel A. Harris, Rowan Pease, Shyr Ee Tan, 2013 *Gender in Chinese Music* draws together contributions from ethnomusicologists anthropologists and literary scholars to explore how music is implicated in changing notions of masculinity femininity and genders in between in Chinese culture

Twentieth-century Colonialism and China Bryna Goodman, David S. G. Goodman, 2012 Colonialism in China was a piecemeal agglomeration that achieved its greatest extent in the first half of the twentieth century the last edifices falling at the close of the century The diversity of these colonial arrangements across China's landscape defies systematic characterization This book investigates the complexities and subtleties of colonialism in China during the first half of the twentieth century In particular the contributors examine the interaction between localities and forces of globalization that shaped the particular colonial experiences characterizing much of China's experience at this time In the process it is clear that an emphasis on interaction synergy and hybridity can add much to an understanding of colonialism in Twentieth Century China based on the simple binaries of colonizer and colonized of aggressor and victim and of a one way transfer of knowledge and social understanding To provide some kind of order to the analysis the chapters in this volume deal in separate sections with colonial institutions of hybridity colonialism in specific settings the social biopolitics of colonialism colonial governance and Chinese networks in colonial environments Bringing together an international team of experts *Twentieth Century Colonialism and China* is an essential resource for students and scholars of modern Chinese history and colonialism and imperialism

Westward Bound Lesley Erickson, 2011-08-01 *Westward Bound* debunks the myth of Canada's peaceful West and the masculine conceptions of law and violence upon which it rests by shifting the focus from Mounties and whisky traders to criminal cases involving women between 1886 and 1940 Erickson's analysis of these cases shows that rather than a desire to protect official responses to the most intimate or violent acts betrayed an impulse to shore up the liberal order by maintaining boundaries between men and women Native people and newcomers and capital and labour Victims and accused could only hope to harness entrenched ideas about masculinity femininity race and class in their favour This fascinating exploration of hegemony and resistance in key contact zones draws prairie Canada into larger debates about law colonialism and nation building
