Proximization The Pragmatics Of Symbolic Distance Crossing Pragmatics Beyond New Series:

Proximization Piotr Cap, 2013-06-15 This book proposes a new theory proximization theory in the area of political public legitimization discourse Located at the intersection of Pragmatics Cognitive Linguistics and critical approaches the theory holds that legitimization of broadly consequential political public policies such as pre emptive interventionist campaigns is best accomplished by forced construals of virtual external threats encroaching upon the speaker and her audience s home territory The construals which proceed along spatial temporal and axiological lines are forced by strategic deployment of lexico grammatical choices drawn from the three domains This proposal is illustrated primarily in the in depth analysis of the 2001 2010 US discourse of the War on Terror and secondarily in a number of pilot studies pointing to a wide range of further applications environmental discourse health communication cyber threat discourse political party representation The theory and the empirical focus of the book will appeal to researchers working on interdisciplinary projects in Pragmatics Semantics Cognitive Linguistics Critical Discourse Studies as well as Journalism and Media Studies

The Pragmatics of Irony and Banter Manuel Jobert, Sandrine Sorlin, 2018-04-25 The Pragmatics of Irony and Banter is the first book length study analysing irony and banter together This approach inherited from Geoffrey Leech s research implies that the two notions are intrinsically related In this thought provoking volume the various contributors linguists stylisticians discourse analysts and literary scholars while not necessarily agreeing on every aspect of this theoretical premise discuss and develop the idea In turn they consider the workings of these two discursive practices in various corpora face to face or digitally mediated interactions novels comedy shows etc thus providing a wealth of examples and case studies This well balanced positioning helps the reader to develop a better understanding of these complex discursive practices that play a crucial part in everyday interaction Steering a course between traditional perspectives and new theoretical approaches this innovative and exciting way of looking at irony and banter will no doubt open new avenues for research

Methods in Pragmatics Andreas H. Jucker, Klaus P. Schneider, Wolfram Bublitz, 2018-06-25 Methods in Pragmatics provides a systematic overview of the different types of data the different methods of data collection and data analysis used in pragmatic research It offers authoritative and comprehensive surveys of the entire breadth of methods and methodologies Part 1 covers introspectional philosophical and cognitive pragmatics Part 2 is devoted to experimental pragmatics including discourse completion and dialogue construction tasks role plays and other production and comprehension tasks Part 3 reviews observational pragmatics including ethnographic and discourse analytic methods and part 4 finally is devoted to corpus pragmatics including accounts of corpus compilation annotation and data retrieval specific to pragmatic research Each contribution provides a state of the art account of the precise workings of one particular method its applications in the relevant research literature as well as a critical assessment of its strengths and weaknesses and the type of pragmatic research questions for which it is most suitable

Legal Linguistics Beyond Borders: Language and Law in a World of Media, Globalisation and Social Conflicts

Friedemann Vogel, 2019-07-31 The world of law has changed in the last decades it has become more globalized multilingual and digital The sections and contributions of this volume continue the interdisciplinary discussion about the challenges of this change for theory and practice of law and for the International Language and Law Association ILLA relaunched in 2017 First the book gives a broad overview to the research field of legal linguistics its history research directions and open questions in different parts of the world United States Africa Italy Spain Germany Nordic countries and Russia The second section consists of contributions about the relation of language law and justice in a globalized world with a focus on multilingual and supranational law in the EU The third section focuses on digitalization and mediatization of the law the last section reports about the discussion at the ILLA relaunch conference in 2017

The Representation of REFUGEES and MIGRANTS in European National Media Discourses from 2015 to 2017 Annamária Fábián, 2023-05-30 Though the refugee crisis was discussed in many countries e.g. in Greece Hungary Italy and Spain long before 2015 it began to receive cross European press coverage only after Angela Merkel's statement 'Wir schaffen das' on the August 30th 2015 This data based study focuses on how journalists report on and leading politicians make statements about refugees migrants and asylum seekers in media and frame these humans after Angela Merkel's sentence in 2015 until the end of 2017 This volume uses mainly Corpus Linguistics but also Communicative Science for the analysis of labelling strategies and the usage of words collocations and grammar systems used by journalists and politicians in different European countries in comparison This empirical volume pictures language specific variation and change of labels To enable a contrastive study between the press discourses of many European countries every chapter analyses the data consisting of newspaper articles describing the discourse of a particular country including discourses of some transit countries around the borders of the Schengen Area of the European Union which barely have been covered in other studies

Myths and Sanctioned Ignorance in British Immigration Discourse Samuel Bennett, 2025-01-07 In this book Samuel Bennett looks at the British national myths regarding the UK's relationship with other countries and its former colonies He argues that the construction of these myths to legitimise Britain's self image has racialized silenced and erased the migrant Other and by extension British ethnic minorities Drawing upon critical discourse studies and integrating decolonial and postcolonial theories Bennett offers an in depth methodologically rigorous analysis of five central myths of UK immigration discourse Further he shows how the myths the UK tells itself are at once stable deployed in different contexts and historically rooted

Africa's Radicalisms and Conservatisms, 2022-10-31 Volume II of Africa's Radicalisms and Conservatisms continues the broad themes of radicalisms and conservatisms that were examined in volume I Like volume I the essays examine why the two isms of radicalisms and conservatisms should not be viewed as mere irreconcilable conceptual tools with which to categorize or structure knowledge The volume demonstrates that these concepts are intertwined have multiple and diverse meanings as perceived and understood from different disciplinary vantage points hence the deliberate pluralization of the terms The

twenty two essays in the volume show what happens when one juxtaposes the two concepts and when different peoples lived experiences of politics pop culture democracy liberalism the environment colonialism migration identities and knowledge etc across the length and breadth of Africa are brought to bear on our understandings of these two particularisms Contributors are Adesoji Oni Admire M Nyamwanza Akin Tella Akinpelu Ayokunnu Oyekunle Bamidele Omotunde Alabi Charles Nkem Okolie Craig Calhoun Diana Ekor Ofana Edwin Etieyibo Folusho Ayodeji Gabriel Akinbode Godwin Oboh Joseph C A Agbakoba Julius Niringiyimana Lucky Uchenna Ogbonnaya Maxwell Mudhara Muchaparara Musemwa Nathan Osareme Odiase Obvious Katsaura Okpowhoavotu Dan Ekere Olaniran Olakunle Lateef Omolara V Akinyemi Owen Mafongoya Paramu Mafongoya Philip Onyekachukwu Egbule Rutanga Murindwa Sandra Bhatasara Takesure Taringana Tunde A Abioro Victor Clement Nweke William Muhumuza and Zainab M Olaitan

Analyzing Genres in Political Communication Piotr Cap, Urszula Okulska, 2013-07-16 Featuring contributions by leading specialists in the field the volume is a survey of cutting edge research in genres in political discourse Since as is demonstrated political genres reveal many of the problems pertaining to the analysis of communicative genres in general it is also a state of the art addition to contemporary genre theory The book offers new methodological theoretical and empirical insights in both the long established genres speeches interviews policy documents etc and the modern rapidly evolving generic forms such as online political ads or weblogs The chapters which engage in timely issues of genre mediatization hybridity multimodality and the mixing of discursive styles come from a broad range of perspectives spanning Critical Discourse Studies pragmatics cognitive psychology sociolinguistics applied linguistics and media studies As such they constitute essential reading for anyone seeking an interdisciplinary yet coherent research agenda within the vast and complex territory of today's forms of political communication

The Language of Fear Piotr Cap, 2016-11-15 This book investigates linguistic strategies of threat construction and fear generation in contemporary public communication including state political discourse as well as non governmental media and institutional discourses It describes the ways in which the construction of closeness and remoteness can be manipulated in the public sphere and bound up with fear security and conflict Featuring a series of case studies in different domains from presidential speeches to environmental discourse it demonstrates how political and organizational leaders enforce the imminence of an outside threat to claim legitimization of preventive policies It reveals that the best legitimization effects are obtained by discursively constructed fear appeals which ensure quick social mobilization The scope of the book is of immediate concern in the modern globalized era where borders and distance dissolve and are re imagined It will appeal to students and researchers in linguistics discourse analysis media communication as well as social and political sciences

Pragmatics and its Interfaces Cornelia Ilie, Neal R. Norrick, 2018-09-07 This volume offers state of the art overviews of the cross disciplinary role and impact of Pragmatics in relation to several areas of study that it interfaces with Pragmatics has contributed significant insights to a range of disciplines just as these disciplines have contributed to it

Borrowing and cross pollination between disciplines is natural as well as necessary but at times it seems important to take a pause and reflect on and problematize the role of pragmatics at these interfaces In an age when disciplinary boundaries are being blurred we need to investigate the relationship and interplay between pragmatics and related or complementary fields of enquiry with the goal of broadening and deepening our understanding of the contributions and boundaries of pragmatics as such Here in twelve original contributions internationally recognized authorities explore the current state and future trends in Pragmatics vis vis adjacent disciplines
