Migrants Or Expatriates Americans In Europe Migration Diasporas And Citizenship:

Migrants or Expatriates? Amanda Klekowski von Koppenfels, 2014-02-07 This book examines the migration integration and transnational activity of overseas Americans American migrants in France Germany and the UK It examines the reasons for their migration introduces the concept of accidental migrant and explores the question of overseas Americans integration and identity formation

Migrants Or Expatriates? Amanda Klekowski von Koppenfels, 2014 While overseas Americans are often seen as short term corporate transferees or backpackers there are also many Americans estimates range from 2 to 7 million living overseas This book explores the case of longer term overseas Americans migrants in France Germany and the UK What has led them to leave the United States How does their integration in Europe proceed This book explores both of these questions in depth while also examining the case of American political engagement in the United States The book draws on almost 900 survey responses and over 100 in depth interviews carried out in Berlin Paris and London

The Routledge Companion to Migration, Communication, and Politics Stephen Croucher, Joao Caetano, Elsa Campbell, 2018-12-07 The Routledge Companion to Migration Communication and Politics brings together academics from numerous disciplines to show the legal political communicative theoretical methodological and media implications of migration The collection makes the compelling case that migration does not occur in a vacuum rather it is driven by and reacts to various factors including the political economic and cultural worlds in which individuals live The 25 chapters reveal the complex nature of migration from various angles not only looking at how policy affects migrants but also how individuals and marginalized groups are impacted by such acts In Part I contributors examine migration law debating the role of the state in managing migration flows and investigating existing migration policy Part II offers theories and methods that integrate communication studies political science and law into the study of migration including cultural fusion theory and Gellnerian theory Part III looks at how contemporary perceptions of migration and migrants intersect with media representations across media outlets worldwide Finally Part IV offers case studies that present the intricacies of migration within different cultural national and political groups Migration is the key political economic and cultural issue of our time and this companion takes the next step in the debate namely the effects of the how in addition to the how and why

Researchers and students of communication politics media and law will find this an invaluable intervention

African Immigrant Families in Another France L. Bass, 2014-09-25 Immigrant incorporation is a critical challenge for France and other European societies today Black Africans migrants are racialized and endowed with an immigrant status which carries low status and is durable into the second generation This book elucidates the conflict and issues pertinent to social integration

Understanding Lifestyle Migration M. Benson, N. Osbaldiston, 2014-06-03 This book draws on social theories to understand lifestyle migration as a social phenomenon The chapters engage theoretically with themes and debates relevant to contemporary social science such as place and space social stratification and power relations production

and consumption individualism dwelling and imagination Social Transformation and Migration S. Castles, D. Ozkul, M. Cubas, 2015-02-27 This book examines theories and specific experiences of international migration and social transformation with special reference to the effects of neo liberal globalization on four societies with vastly different historical and cultural characteristics South Korea Australia Turkey and Mexico *Vulnerability, Exploitation and Migrants* Gary Craig, Louise Waite, Hannah Lewis, Klara Skrivankova, 2015-09-30 Globalization the economic crisis and related policies of austerity have led to a growth in extreme exploitation at work with migrants particularly vulnerable This book explores the lives of the growing numbers of severely exploited labourers in the world today questioning how we can respond to such globalized patterns of extreme inequality **Migration, Space and Transnational Identities** D. Conway, P. Leonard, 2014-12-10 Twenty years after the post apartheid Government took office this timely text interrogates the extent to which the attitudes identities and everyday lives of British people have changed in accordance with the new South Africa New ethnographic research is drawn upon to explore important questions of mobility locality and identity **Beyond Networks** Oliver Bakewell, Godfried Engbersen, Maria Lucinda Fonseca, Cindy Horst, 2016-04-29 This edited volume explores migration movements to Norway the Netherlands the United Kingdom and Portugal from Brazil Morocco and Ukraine focusing on how the migration processes of yesterday influence those of today The central analytical tool for this undertaking is the concept of feedback This volume identifies various feedback mechanisms that initiate perpetuate and reverse migration movements It pays attention to the role of personal networks but it also moves beyond networks by analysing the role of institutions macro level factors and forms of broadcast feedback operating through impersonal channels Based on extensive surveys and in depth interviews it changes our understanding of how and why patterns of international migration change over time **The Microfoundations of Diaspora Politics** Alexandra Délano Alonso, Harris Mylonas, 2021-09-21 The Microfoundations of Diaspora Politics examines the various actors within and beyond the state that participate in the design and implementation of diaspora policies as well as the mechanisms through which diasporas are constructed by governments political parties diaspora entrepreneurs or international organisations Extant theories are often hard pressed to capture the empirical variation and often end up identifying exceptions The multidisciplinary group of contributors in this book theorise these exceptions through three interrelated conceptual moves first by focusing on understudied aspects of the relationships between states as well as organised non state actors and their citizens or co ethnics abroad or at home in cases of return migration Second by examining dyads of origin states and specific diasporic communities differentiated by time of emigration place of residence socio economic status migratory status generation or skills Third by considering migration in its multiple spatial and temporal phases emigration immigration transit return and how they intersect to constitute diasporic identities and policies These conceptual moves facilitate comparative research and help scholars identify the mechanisms connecting structural variables with specific policies by states and other actors as well as responses by the relevant diasporic

communities This book was originally published as a special issue of the Journal of Ethnic and Migration Studies
