A Manual of Eastern Orthodox Prayers Orthodox Eastern Church, 1945 Morning and evening prayers communion prayers selected troparia and prayers for various occasions *A Book of Orthodox Prayers for the Orthodox Christian* Fr. Kenneth C. Bicknell, O.S.B., 2013-03-06 *A Book of Orthodox Prayers for the Orthodox Christian* is a collection of fifty six Orthodox prayers used in the Orthodox Church worldwide Fr Kenneth wrote this book as an attempt to provide a bunch of traditional prayers in one convenient book ***The Orthodox Church*** Timothy Ware, 1993-04-29 Since its first publication thirty years ago Timothy Ware's book has become established throughout the English speaking world as the standard introduction to the Orthodox Church Orthodoxy continues to be a subject of enormous interest among Western Christians and the author believes that an understanding of its standpoint is necessary before the Roman Catholic and Protestant churches can be reunited He explains the Orthodox views on such widely ranging matters as ecumenical councils sacraments free will purgatory the papacy and the relation between the different Orthodox churches ***Orthodox by Design*** Jeremy Stolow, 2010 This is the first thorough study of the ArtScroll publishing phenomenon which is a major force in contemporary English speaking Jewish life It is deeply and richly informed by interdisciplinary work on semiotics textuality and mediation It will be quite useful to those working in areas such as religion and media contemporary Jewish studies history of print sociology of religion and American religion And it should fascinate those who are regular if not always uncritical users of ArtScroll publications Jonathan Boyarin University of North Carolina Chapel Hill With stunning clarity wit and originality Jeremy Stolow takes us into the deeply influential but largely unexplored world of ArtScroll a company that has cornered the market on the publishing of Orthodox religious prayer books as well as a host of related works from cookbooks to self help texts With ethnographic and scholarly skill and his characteristic attention to both detail and the big picture Stolow reveals a social universe that is astonishingly complex political and profitable This inviting and groundbreaking book is a remarkable contribution to the fields of religion media studies and Judaic studies Faye Ginsburg New York University Destined to become the classical study of print piety and politics in the digital age *Orthodox by Design* will force us to rethink many taken for granted assumptions about globalization secularization and orthodoxy A comprehensive investigation of global publishing it offers fresh insight into the politics of translation the emergence of a Jewish public sphere and the expanding influence of Haredi intellectuals Bryan S Turner editor of *The Routledge International Handbook of Globalization Studies* *Orthodox by Design* is a singular contribution to Jewish studies and the emergent field of religion and media Stolow's masterful account of the Artscroll enterprise and its reception shows how materiality and media matter in the formation of religious sensibilities practices and everyday life in the contemporary world Elizabeth A Castelli author of *Martyrdom and Memory Early Christian Culture Making* This carefully crafted imaginative study of Artscroll offers a theoretically powerful perspective on the limitations of textual approaches of book religions Its relevance far exceeds the field of Jewish studies I am thrilled by Stolow
