

Orthodoxy Pennsylvania State University

Augustine Casiday

Orthodoxy Pennsylvania State University:

The Orthodox Christian World Augustine Casiday, 2012-08-21 Over the last century unprecedented numbers of Christians from traditionally Orthodox societies migrated around the world Once seen as an oriental or eastern phenomenon Orthodox Christianity is now much more widely dispersed and in many parts of the modern world one need not go far to find an Orthodox community at worship This collection offers a compelling overview of the Orthodox world covering the main regional traditions of Orthodox Christianity and the ways in which they have become global The contributors are drawn from the Orthodox community worldwide and explore a rich selection of key figures and themes The book provides an innovative and illuminating approach to the subject ideal for students and scholars alike Being Orthodox Martin Dudley, 2019-07-18 Martin's book is the delighted exclamation of someone who has learnt is learning to swim in the ocean that is Orthodoxy Come on in it is lovely here Andrew Louth Until now there has been little in the way of an accessible guide for those who seek to become or live as Orthodox Christians A new convert himself Martin Dudley is familiar with the questions feelings and challenges that arise He explains that to grasp Orthodoxy we must think and act as the Orthodox do This involves suspending the Western analytical tendency and allowing free rein to the synthetic tendency which enables us to detect a unity and perceive however dimly the interaction between the parts and the whole in relation to God and the Church The author draws on a wealth of material from the Church Fathers to straight talking Mother Thekla to explore the essentials of belief He provides guidance on participating in the Liturgy the requirements for fasting confession and Orthodox prayer In celebrating the culture of Orthodoxy shaped by many different ethnicities and languages gloriously expressed in art music and literature this volume fully conveys the rigour and joy of becoming and being Orthodox **Orthodoxy on the Line** Aram G. Sarkisian, 2025-07-22 Working class immigration religion and labor history in the United States At the turn of the twentieth century thousands of immigrants from the borderlands of the Russian and Austro Hungarian Empires built a transnational church in North America The community that church leaders called American Orthodox Rus was created by and for working people and transformed believers identities as Eastern European migrants as Orthodox Christians and as American workers Given how strongly the Russian Orthodox Christian community was tied to working class industrial life this book makes the case that we cannot understand the scope of working class and immigrant religion in the United States without understanding American Orthodox Rus The work Russian Orthodox immigrants did in the Progressive Era United States occurred in factories foundries and mines they lived mainly in industrial cities and mining towns and they almost immediately got caught up in the most pivotal and sometimes violent political and social crises of their times both nationally and internationally To address their needs in these contexts the Russian Orthodox Church expanded its missionary efforts in North America forming a network of social and material aid for working class believers This book traces the rapid growth of this transnational religious world then explores its unexpected collapse under the weight of the First World War a global

pandemic and the transnational reach of revolutionary political change in Russia A story of challenge and resilience

Orthodoxy on the Line complicates dominant paradigms in the study of labor and North American Religions *Orthodox Sisters* William G. Wagner, 2024-07-15 *Orthodox Sisters* explores the relationship between women religion and social cultural and economic change between 1700 and 1935 through the experiences of Orthodox convents in Nizhnii Novgorod diocese Focusing primarily on the Convent of the Exaltation of the Cross William G Wagner places the women s experiences in the broader context of developments in female monasticism and religious life in Russia as well as in Europe and North America over the same period This is the first comprehensive study that follows a Russian convent through all the stages of its life from its origins in the eighteenth century to its flourishing at the turn of the twentieth century to its resistance to Soviet assault and finally to its rebirth in the 1920s By the late nineteenth century the Convent of the Exaltation of the Cross and the other convents and women s religious communities in Nizhnii Novgorod diocese constituted a reimagined form of a traditional Orthodox monastic community Wagner shows how these nuns and novices adapted to the conditions of emergent modernity in a distinctively Orthodox way When almost everything but their communal life work and worship and their sacred spaces had been stripped away and they were subject to the socialist state s efforts at subversion the sisters of the Convent of the Exaltation of the Cross and the other convents in the diocese created an authentic Christian community that gave their lives a collective meaning In this way they were able to lead a rewarding life and survive the early years of Soviet Russia

Pentecostal Orthodoxy Emilio Alvarez, 2022-09-06 In this manifesto of sorts Bishop Emilio Alvarez introduces the phenomenon of Pentecostals returning to the ancient creedal Christian faith and extends the project of paleo orthodox ressourcement to include orthodox expressions within Pentecostalism particularly in his own Afro Latino Pentecostal movement

Inochentism and Orthodox Christianity James A. Kapaló, 2019-06-05 This book explores the history and evolution of Inochentism a controversial new religious movement that emerged in the Russian and Romanian borderlands of what is now Moldova and Ukraine in the context of the Russian revolutionary period Inochentism centres around the charismatic preaching of Inochentie a monk of the Orthodox Church who inspired an apocalyptic movement that was soon labelled heretical by the Orthodox Church and persecuted as socially and politically subversive by Soviet and Romanian state authorities Inochentism and Orthodox Christianity charts the emergence and development of Inochentism through the twentieth century based on hagiographies oral testimonies press reports state legislation and a wealth of previously unstudied police and secret police archival material Focusing on the role that religious persecution and social marginalization played in the transformation of this understudied and much vilified group the author explores a series of counter narratives that challenge the mainstream historiography of the movement and highlight the significance of the concept of liminality in relation to the study of new religious movements and Orthodoxy This book constitutes a systematic historical study of an Eastern European home grown religious movement taking a grass roots approach to the problem of

minority religious identities in twentieth century Eastern Europe Consequently it will be of great interest to scholars of new religions movements religious history and Russian and Eastern European studies **Russian Orthodoxy and Secularism**

Kristina Stoeckl,2020-07-20 Russian Orthodoxy and Secularism surveys the ways in which the Russian Orthodox Church has negotiated its relationship with the secular state with other religions and with Western modernity from its beginnings until the present It applies multiple theoretical perspectives and draws on different disciplinary approaches to explain the varied and at times contradictory facets of Russian Orthodoxy as a state church or as a critic of the state as a lived religion or as a civil religion controlled by the state as a source of dissidence during Communism or as a reservoir of anti Western anti modernist ideas that celebrate the uniqueness and superiority of the Russian nation Kristina Stoeckl argues that three decades after the fall of Communism the period of post Soviet transition is over for Russian Orthodoxy and that the Moscow Patriarchate has settled on its role as national church and provider of a new civil religion of traditional values *Orthodox*

Christians and the Rights Revolution in America A. G. Roeber,2024-01-02 A distinctive and unrivaled examination of North American Eastern Orthodox Christians and their encounter with the rights revolution in a pluralistic American society From the civil rights movement of the 1950s to the culture wars of North America commentators have identified the partisans bent on pursuing different rights claims When religious identity surfaces as a key determinant in how the pursuit of rights occurs both the religious right and liberal believers remain the focus of how each contributes to making rights demands How Orthodox Christians in North America have navigated the rights revolution however remains largely unknown From the disagreements over the rights of the First Peoples of Alaska to arguments about the rights of transgender persons Orthodox Christians have engaged an Anglo American legal and constitutional rights tradition But they see rights claims through the lens of an inherited focus on the dignity of the human person In a pluralistic society and culture Orthodox Christians both converts and those with family roots in Orthodox countries share with non Orthodox fellow citizens the challenge of reconciling conflicting rights claims Those claims do pit religious liberty rights claims against perceived dangers from outside the Orthodox Church But internal disagreements about the rights of clergy and people within the Church accompany the Orthodox Christian engagement with debates over gender sex and marriage as well as expanding political legal and human rights claims Despite their small numbers North American Orthodox remain highly visible and their struggles influential among the more than 280 million Orthodox worldwide Orthodox Christians and the Rights Revolution in America offers an historical analysis of this unfolding story Modern Orthodox Theology Paul Ladouceur,2019-02-21 Modern

Orthodox theology represents a continuity of the Eastern Christian theological tradition stretching back to the early Church and especially to the Ancient Fathers of the Church This volume considers the full range of modern Orthodox theology The first chapters of the book offer a chronological study of the development of modern Orthodox theology beginning with a survey of Orthodox theology from the fall of Constantinople in 1453 until the early 19th century Ladouceur then focuses on

theology in imperial Russia the Russian religious renaissance at the beginning of the 20th century and the origins and nature of neopatristic theology as well as the new theology in Greece and Romania and tradition and the restoration of patristic thought Subsequent chapters examine specific major themes God and Creation Divine humanity personhood and human rights The Church of Christ Ecumenical theology and religious diversity The Christification of life Social and Political Theology The Name of God conflict The ordination of women The volume concludes with assessments of major approaches of modern Orthodox theology and reflections on the current status and future of Orthodox theology Designed for classroom use the book features case studies a detailed index a list of recommended readings for each chapter

The Orthodox Liturgy
Hugh Wybrew, 1990 How has the Orthodox liturgy come to have the shape it has How different is it from the eucharistic rites of the Western churches Hugh Wybrew's authoritative but splendidly readable book traces the development of the Orthodox liturgy from the Last Supper to the present day

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Orthodoxy Pennsylvania State University**

In a global inundated with screens and the cacophony of immediate interaction, the profound power and emotional resonance of verbal art usually fade into obscurity, eclipsed by the regular barrage of sound and distractions.
