Oskar Schindler Zoe Lowery, Jeremy Roberts, 2015-12-15 Although Oskar Schindler's name is synonymous with Holocaust heroes his life story is by no means black and white Readers will be introduced to a man who with the help of his wife and staff protected more than 1 000 Jews from the Nazis during the Holocaust At the same time this hero was a known womanizer with an alcohol problem This enlightening book covers his upbringing including his years in the Nazi Party and his change of heart Readers will find this volume to be educational eye opening and inspiring **Oskar Schindler** David Crowe, 2007-08-01 Spy businessman bon vivant Nazi Party member Righteous Gentile This was Oskar Schindler the controversial man who saved eleven hundred Jews during the Holocaust but struggled afterwards to rebuild his life and gain international recognition for his wartime deeds David Crowe examines every phase of Schindler's life in this landmark biography presenting a savior of mythic proportions who was also an opportunist and spy who helped Nazi Germany conquer Poland Schindler is best known for saving over a thousand Jews by putting them on the famed Schindler's List and then transferring them to his factory in today's Czech Republic In reality Schindler played only a minor role in the creation of the list through no fault of his own Plagued by local efforts to stop the movement of Jewish workers from his factory in Kraków his new one in Brzozów and his arrest by the SS who were investigating corruption charges against the infamous Amon Göth Schindler had little say or control over his famous List The tale of how the List was really prepared is one of the most intriguing parts of the Schindler story that Crowe tells here for the first time Forced into exile after the war success continually eluded Schindler and he died in very poor health in 1974 He remained a controversial figure even in death particularly after Emilie Schindler his wife of forty six years began to criticize her husband after the appearance of Steven Spielberg's film in 1993 In *Oskar Schindler* Crowe steps beyond the mythology that has grown up around the story of Oskar Schindler and looks at the life and work of this man whom one prominent Schindler Jew described as an extraordinary man in extraordinary times **A Study Guide for Thomas Keneally's "Schindler's List"** Gale, Cengage Learning, 2016-06-29 A Study Guide for Thomas Keneally's *Schindler's List* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **Oskar Schindler** Roberts Jeremy, 2002 Offers information about the man who is responsible for saving the lives of over a thousand Jews during the Holocaust **Oskar Schindler** John F. Wukovits, 2003 A biography of the profit hungry businessman who became a protector and savior of the Jews during the Nazi holocaust Righteous Gentile John Bierman, 2012-07-05 Swallowed up by the Soviet prison system the fate of Raoul Wallenberg saviour of tens of thousands of Hungarian Jews during the Nazi holocaust remains a mystery Recently KGB files have been opened and many Communist crimes have been fully exposed Yet there is still no evidence apart from a handwritten note of doubtful authenticity to support the Kremlin's claim that in 1947

Wallenberg then thirty five years old died of a heart attack in prison On the other hand there is abundant evidence none of it conclusive but much of it highly persuasive that Wallenberg remained alive in captivity long after 1947 broken in body and spirit somewhere in the vastness of the former Soviet Union Righteous Gentile is the first book to tell the full story of Raoul Wallenberg s shining wartime exploits and shameful post war incarceration *Oskar Schindler* Jeremy Roberts,2000 Offers information about the man who is responsible for saving the lives of over 1 000 Jews during the Holocaust **Schindler, Wallenberg, Miep Gies** David K. Fremon,2014-07-01 The heroes of the Holocaust were individuals who risked their own lives to save thousands of Jews from certain death Author David K Fremon recounts the actions some people took to save the lives of thousands of people trying to escape from the Nazis and their deadly persecution Some heroes are now famous but many unknown heroes took action to forge false identity papers leave out food for refugees and hide Jews in their homes

The Road to Rescue Mietek Pemper,2018-05-15 A deepening of the story of Schindler s List A Holocaust survivor recounts how he extracted Nazi intel for Oskar Schindler in this moving memoir of courage and resistance New York Times Book Review Steven Spielberg s Oscar winning film Schindler s List popularized the true story of a German businessman who manipulated his Nazi connections and spent his personal fortune to save 1 200 Jewish prisoners during the Holocaust But few know those lists were made possible by a secret strategy designed by a young Polish Jew at the P aszow concentration camp Mietek Pemper s compelling and moving memoir tells the true story of how Schindler s list really came to pass Pemper was born in 1920 into a lively and cultivated Jewish family for whom everything changed when the Germans invaded Poland Evicted from their home they were forced into the Krakow ghetto and later into the nearby camp of P aszow where Pemper s knowledge of the German language was put to use by the sadistic camp commandant Amon Goth Forced to work as Goth s personal stenographer from March 1943 to September 1944 an exceptional job for a Jewish prisoner Pemper soon realized that he could use his position as the commandant s private secretary to familiarize himself with the inner workings of the Nazi bureaucracy and exploit the system to his fellow detainees advantage Once he gained access to classified documents Pemper was able to pass on secret information for Schindler to compile his famous lists After the war Pemper was the key witness of the prosecution in the 1946 trial against Goth and several other SS officers The Road to Rescue stands as a historically authentic testimony of one man s unparalleled courage wit defiance and bittersweet victory over the Nazi regime

Oskar Schindler Ann Byers,2005 Oskar Schindler was a man who enjoyed fast living He liked to race motorcycles and his wife thought he drank too much Schindler joined the Nazi party to make money and even became a spy for the promise of danger After the Nazi invasion of Poland Schindler made plans to start a business there and become rich Instead he saw the plight of the Polish Jews the forced labor the Nazi brutality and the executions He could not let these things happen without trying to make a difference Author Ann Byers explores the life of this unusual rescuer a Nazi businessman who spent his fortune and risked his life to save as many Jews as possible Through the words of those he protected the story of how
