The Silent and the Lost Abu Bin Mohammed Zubair,2011-06 The Silent and the Lost Alex Salim McKensie a war baby of the 1971 Bangladesh War of Independence is adopted by the McKensies an American family that has lost their only son in Vietnam Years later Alex falls in love with Sangeeta Rai but their happiness is threatened when the enigma of his birth casts a dark shadow over their relationship The Silent and the Lost opens with the wedding of Alex and Sangeeta in Brentwood California on a sunny Saturday in 1997 then travels back into the boiling cauldron of political clashes of East Pakistan in early 1971 Through the eyes of newlywed Nahar Sultana her husband student activist Rafique Chowdhury and their friends we are immersed into the nine months of revolution that created Bangladesh On March 25 1971 Nahar Rafique Nazmul and the Rahmans find themselves in the center of Operation Searchlight at Dacca University Miraculously surviving they escape to Sheetalpur village Longing for vengeance and freedom Nazmul and Rafique leave for the Mukthi Bahini guerrilla camps in Agartala India In a twist of fate in a brutal family betrayal Nahar is captured by the Pakistani Army Destitute and in utter despair tortured and mad Nahar grips desperately to her last scintilla of hope Rafique s return Two generations spread across two continents thousands of miles apart are brought jarringly together when Alex begins his search for answers to his beginnings He discovers that his own struggle for happiness is inextricable from the history that he finds himself part of the genocide that in 1971 ultimately created out of East Pakistan the new nation of Bangladesh Set in a pivotal point of time The Silent and the Lost powerfully chronicles the history of a revolutionary change in the socio political landscape of the sub continent and takes us on a sinuous journey into a passionate and breathtaking untold account of heroism and betrayal family and friendship love and anguish of the lives of the characters and millions of others swept up in the unfolding unrest mayhem and suppressed genocide Nomadic Peoples ,1984 **Lion** Douglas Misquita,2019-05-14 The Syrian War has spilt into its sixth year The bloody contest between the Syrian National Army and the Free Syrian Army is confounded by rebel factions terror outfits fundamentalists unscrupulous businesses and a proxy war between the United States and Russia Aslan The Lion Terzi a political prisoner incarcerated at the notorious Tadmor Prison is near suicide when a Daesh commander inexplicably gives him a new lease on life Disillusioned by the depravity of the War he chooses to flee Syria But a chance encounter at the border draws him back for the love of a woman Goldline Solutions is the security contractor of choice for Sheik Akhmed bin Rashid When the disappearance of Goldline client Leonid Rashnikov threatens a lucrative multi billion dollar deal CEO Samuel Goldsmith will put everything on the line to restore the sheikh s confidence Russian FSB agent Illiya Pushkin sanctions an illicit operation in Syria With a vindictive colleague on her trail she finds herself complicit in a crime that propels her into the FSB s most wanted list Five strangers Working on assumptions No elaborate plan No inside help They will attempt the most audacious supermax prison breakout ever attempted on Russian soil In an imperfect world the singular human instinct of survival is all that matters And there will be a heavy price to pay **Skin Deep** Tony Bradman,2004-03-04

An anthology of original hard hitting short stories which tackle the difficult and sensitive issue of racism in its many forms bullying exclusion class the colour of skin hatred and war Written by some of today s very best writers for teenagers and including fresh new talent from home and abroad these strong gripping and often moving stories are set against a variety of cultural backgrounds in the UK Australia India America and Europe The stories offer some unforgettable characters in situations that young people the world over will relate to and are written with great depth compassion and hope *The History of al-Ṭabarī Vol. 36* ,2015-07-07 The present volume of al abar s monumental history covers the years 255 265 869 878 the first half of the reign of the Abbasid caliph al Mu tamid in S marr Although the decade was one of relative calm in the capital compared with the anarchy of the years immediately preceding danger signals were flashing in territories adjacent to the imperial heartlands Chief among them was the revolt of the Zanj the narrative of which occupies the bulk of the present volume A people of semi servile status the Zanj who were based in the marshlands of southern Iraq were led by a somewhat shadowy and mysterious figure claiming Shi ite descent Ali b Muhammad Their prolonged revolt against the central authorities was not crushed until 269 882 Al abar s account of these momentous events is unique in both the quality and the quantity of his information He himself was present in Baghdad during the years of the revolt and he was thus able to construct his story from reports by numerous eyewitnesses The result is a detailed narrative that brings alive for the modern reader the main personalities and engagements of the revolt **Prisoners** Jeffrey Goldberg,2006-10-03 During the first Palestinian uprising in 1990 Jeffrey Goldberg an American Jew served as a guard at the largest prison camp in Israel One of his prisoners was Rafiq a rising leader in the PLO Overcoming their fears and prejudices the two men began a dialogue that over more than a decade grew into a remarkable friendship Now an award winning journalist Goldberg describes their relationship and their confrontations over religious cultural and political differences through these discussions he attempts to make sense of the conflicts in this embattled region revealing the truths that lie buried within the animosities of the Middle East **International Handbook of Universities** ,2010 **Routledge Library Editions: Jordan** Various Authors,2021-03-11 Routledge Library Editions Jordan brings together some key works in the study of this strategically vital country Widely regarded as a rare country of calm in a turbulent region these classic titles provide an essential reference to the in depth study of Jordan and its particular status in the Middle East *The Palestinian Refugees in Jordan 1948-1957* Avi Plascov,2017-05-18 There is perhaps no aspect of the Arab Israeli conflict that is more complex and more emotionally charged than the problem of the Palestinian refugees The atmosphere surrounding the discussion has led to confusion so that the facts have become unclear and the problems more difficult to treat This book first published in 1981 examines the complex interlocking issues that surround the topic of the Palestinian refugees in the country that adopted most of them Jordan *Daughter of Damascus* Siham Tergeman,1994 This book presents a personal account of a Syrian woman s youth in the Suq Saruja old city of Damascus in the first half of this century Author Tergeman wrote the original memoir Ya Mal al

Sham in Arabic to preserve the details of a genuine Arab past for Syrian young people and to help them appreciate the architecture of the old quarter with its reminders of earlier values
