Otto of the Silver Hand Howard Pyle,2021-02-02 Otto of the Silver Hand is a children s novel about the Middle Ages written and illustrated by Howard Pyle It was first published in 1888 by Charles Scribner s Sons

Otto of the Silver Hand Howard Pyle,2021-03-20 Otto of the Silver Hand was one of the first historical novels for young adults to present the realities behind the chivalric ideal Pyle reveals the prevalence of cruelty and vengefulness in medieval society The lesson that chivalry was not always glorious does not however overshadow the high sense of adventure found in the story The story s unflinching portrayal of the unpleasant aspects of medieval life may shock some young readers but its well organized and exciting plot makes for entertaining reading Otto of the Silver Hand grew out of Pyle s research of the chivalric world in preparation for writing his Arthurian series As he examined elements of the Arthurian tradition Pyle became distressed with the knights wickedness He had hoped to write a glorious account of King Arthur s realm but found it impossible to ignore the harshness of medieval society Ultimately Pyle wrote Otto of the Silver Hand to demonstrate the brutality of the era and to suggest that history is different from legend His dramatic illustrations breathe life into the story making it more believable

The Literary World ,1876 *Otto of the Silver Hand by Howard Pyle* Howard Pyle,2020-09-05 Between the far away past history of the world and that which lies near to us in the time when the wisdom of the ancient times was dead and had passed away and our own days of light had not yet come there lay a great black gulf in human history a gulf of ignorance of superstition of cruelty and of wickedness That time we call the dark or middle ages Few records remain to us of that dreadful period in our world s history and we only know of it through broken and disjointed fragments that have been handed down to us through the generations Yet though the world s life then was so wicked and black there yet remained a few good men and women here and there mostly in peaceful and quiet monasteries far from the thunder and the glare of the worlds bloody battle who knew the right and the truth and lived according to what they knew who preserved and tenderly cared for the truths that the dear Christ taught and lived and died for in Palestine so long ago This tale that I am about to tell is of a little boy who lived and suffered in those dark middle ages of how he saw both the good and the bad of men and of how by gentleness and love and not by strife and hatred he came at last to stand above other men and to be looked up to by all And should you follow the

story to the end I hope you may find it a pleasure as I have done to ramble through those dark ancient castles to lie with little Otto and Brother John in the high belfry tower or to sit with them in the peaceful quiet of the sunny old monastery garden for of all the story I love best those early peaceful years that little Otto spent in the dear old White Cross on the Hill Poor little Otto's life was a stony and a thorny pathway and it is well for all of us nowadays that we walk it in fancy and not in truth
