Our Love Matters Our Love Matters:

Every Relationship Matters Peter Rouse, 2007 This book will help anyone become familiar with the newly emerging arena of gaining personal advantage through the nurturing of relationships Going beyond simple tips and techniques this book gives you the information you need to get involved with what is going on inside one's mind and seeing the world in a different perspective Relationship building will positively impact your business your private life and your firm *Relationship Matters* Lardina Coles, 2017-05-08 Relationship Matters is a book that deals with healing from past relationship hurts and how to open up to a new relationship based on biblical principles This book will help the reader understand the importance of having relationships on any level and why God designed them and the importance of having a relationship *Prayer Matters* Marilyn Wragg, 2017-12-20 Have you ever wondered how prayer works Have you ever wished you were better at praying Have you ever been at a loss for words to pray This is not a book that attempts to answer all your questions on prayer On the contrary the author acknowledges upfront that prayer is a mystery for which there is no magic formula There are Biblical principles that teach much about prayer and God's spiritual spokespersons have offered insight But God is God and prayer is in the realm of His unfathomable ways and workings Rather this is a book that invites you to come alongside the author and delve into the practice of prayer It contains reflections on varied prayer matters that are based on exploring principles about prayer and trying various ways to pray It is the fruit of the author's entreating God to teach her to pray Since much of this entreating occurred while walking with her son through his cancer battle and now as she grieves his passing the author's insights are presented as one questioning pilgrim desiring to help another The book's premise is that we do not have to understand prayer to pray We learn to pray by praying The more we pray the more natural praying therefore becomes Hence suggestions and tools are offered to facilitate praying Whether you are relatively experienced with prayer brand new or somewhere in between you are invited to ponder these prayer matters and to implement those suggestions for doing prayer that appeal to you Because ultimately while we may not know the intricate workings of prayer this side of Heaven one thing we do know is Prayer Matters *Money Matters (to God)* J. Bradley Van Vleet Jr., 2021-03-16 I know what you're thinking Another book on money And you're right this is another book on money but it's probably not quite from the angle that you're thinking Money Matters to God is a book about seeing finances through the eyes of God instead of the eyes of society Through this book we will walk through the scripture to see what the Bible actually has to say about money and how we should use it You may be surprised to see what's there Money is an important topic to God You can clearly see that through the Old and New Testaments Jesus talked more about money than He did about heaven or hell Money is important to God simply because it's important to us Sometimes too important My prayer is that through this book you will be able to shed the burden of financial stress through priority and perspective **F**k It** John C. Parkin, 2010-07-01 F k It has taken the world by storm helping countless people to relax let go stop struggling and finally do what they want to ignore what everyone else
