Our Stories Our Songs African Children Talk About Aids:

Our Stories, Our Songs African Children Talk about Aids Deborah Ellis, 2005-01 Our Stories, Our Songs Deborah Ellis, 2005-08-01 Presents accounts of children and teens in Africa whose lives have been affected by AIDS **Hope Amidst Despair** Susanna W. Grannis, 2011-10-07 Of the 16 million children to have been orphaned by AIDS worldwide almost 15 million live in sub Saharan Africa Hope Amidst Despair focuses on these children and those who are made vulnerable by HIV AIDS Of the millions affected many live in deep poverty experience little schooling have unmet health and psychological issues and bear the burden of stigma Their plight is often ignored and as a result they lead lives of isolation and exclusion that threaten their futures The book gives voice to HIV AIDS orphans allowing them to tell their stories and explain the challenges they face Susanna Grannis founder of CHABHA Children Affected by HIV AIDS shows through first hand experience and research how young community leaders can with help effectively promote children s wellbeing and independence Readers learn of the complexities and possibilities involved in positive development through the analysis of data on children from five different countries in sub Saharan Africa This will be an essential title for HIV AIDS campaigners students of development studies policy makers donors and anyone concerned about the welfare of children in developing countries The Complete Guide to Service Learning Cathryn Berger Kaye, 2010-03-18 The Complete Guide to Service Learning is the go to resource in the fast growing field of service learning It is an award winning treasury of service activities community service project ideas quotes reflections and resources that can help teachers and youth workers engage young hearts and minds in reaching out and giving back Author and internationally known service learning expert Cathryn Berger Kaye presents service learning its importance steps essential elements and challenges within a curricular context and organized by theme This second edition maintains the easy to use format of the original and is enhanced with updated information on service learning programs and pedagogy Benefits include A blueprint for service learning from getting started to assessing the experience Integration of K 12 service learning standards Inspiring quotations background information and resources preparation activities real life examples and community service project ideas that have worked for other teachers 13 thematic chapters covering topics commonly selected for service learning projects such as animal protection and care elders emergency readiness the environment hunger and homelessness literacy special needs and more Hundreds of real life field tested service learning projects Ideas for fortifying service learning programs by incorporating global literacy and creating a culture of service The online digital content has over 200 pages of forms and bonus materials and includes All of the planning and tracking forms from the book many customizable 39 sample planning templates for all service learning themes at each grade level 10 original essays written by experts in the field 22 author interviews including interviews with authors Laurie David Cynthia Lord Jordan Sonnenblick Kathe Koja Danica Novgorodoff Janet Tashjian Deborah Ellis Sonia Levitin Ellen Senisi and more More than 300 additional Bookshelf recommendations that describe books that offer teachable

moments about community service responsibility caring and helping as well as ways to encourage discussion and combine literature and service learning Drawing on her years as a classroom teacher and international service learning consultant trainer speaker and program developer Cathryn Berger Kaye tells you everything you want and need to know about service learning Recommended for K 12 teachers and administrators college and university faculty youth group leaders government agencies and nonprofits and after school programs Teachers parents and group leaders Use this valuable resource in a classroom or youth serving organization after school program or as a family

Caring Hearts and Critical Minds Steven Wolk, 2023-10-10 Imagine if going to school meant more than preparing kids for a test teaching a canned curriculum and training students for their future as workers What if school were also about cultivating students to be caring community involved citizens and critical creative thinkers who love to read In *Caring Hearts Critical Minds* teacher author Steven Wolk shows teachers how to help students become better readers as well as better people I want my students to be thinkers and have rich conversations regarding critical issues in the text and be able to formulate opinions regarding these issues says Leslie Rector a sixth grade teacher who collaborated with Wolk on some of the units featured in this book Wolk demonstrates how to integrate inquiry learning exciting and contemporary literature and teaching for social responsibility across the curriculum He takes teachers step by step through the process of designing an inquiry based literature unit and then provides five full units used in real middle grade classrooms Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres *Caring Hearts Critical Minds* gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about from media and the environment to personal happiness and global poverty Wolk shows teachers how to find stimulating real world complex texts called for in the Common Core State Standards and integrate them into literature units I know from experience that a great book changes the reader says Karen Tellez an eighth grade teacher featured in the book For me books have helped me escape fall in love recover from heartbreak and have broken open my mind from the age of twelve I hope my students gain better reading comprehension confidence as readers connections to the characters and events a curiosity for the world and tolerance for others *Caring Hearts Critical Minds* shows teachers how to turn these hopes and goals into reality

We Want You to Know Deborah Ellis, 2010 Kids express how they feel about bullies and bullying

Strong Spirits, Kind Hearts Sandra Finney, 2013-05-23 *Strong Spirits Kind Hearts* is the first practical teacher resource to provide comprehensive coverage of all aspects of developing strong spirits and caring young people It is focused on middle years students but most lessons can be adapted for older and younger students as well This resource describes ways to incorporate emotional and spiritual supports into daily routines and interactions with students and provides ready to use activities lessons and units that can be integrated into subject area teaching This book helps teachers to understand the importance of strengthening students spirits and how this support improves students learning and classroom morale build resilience and hope through their interactions with students

distinguish between the development of strong spirits and religious education use approaches that are respectful of religious and spiritual diversity as well as more secular views implement a wealth of strategies lessons and units that develop students compassion and sense of connection to others and the natural world integrate a focus on meaning and purpose within subject area lessons

Deepening Literacy Learning Mary Ann Reilly, Jane M. Gangi, Rob Cohen, 2010-09-01 [Literacy and Learning in the Content Areas](#) Sharon Kane, 2017-07-05 The 3rd Edition of Literacy Learning in the Content Areas helps readers build the knowledge motivation tools and confidence they need as they integrate literacy into their middle and high school content area classrooms Its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms Rather than passively learning about strategies for incorporating content area literacy activities readers get hands on experience in such techniques as mapping webbing anticipation guides booktalks class websites and journal writing and reflection Readers also learn how to integrate children s and young adult literature primary sources biographies essays poetry and online content communities and websites into their classrooms Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students content area learning Author Sharon Kane demonstrates how relevant reading writing speaking listening and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks
