Tracing Your Great War Ancestors: Gallipoli Simon Fowler,2015-02-28 Do you have an ancestor who served in the Gallipoli campaign in the First World War Perhaps you have thought of visiting the battlefields in Turkey and the monuments that commemorate them and want to find out exactly where and when your ancestor served and what part he played in the landings and the fighting that followed This practical and informative handbook is an ideal guide to the struggle for the Gallipoli peninsula and the stories of the men who took part in it Simon Fowler outlines the course of the campaign and introduces the many historical resources that you can use to explore the history for yourself He identifies the key sources for family historians including The National Archives in Britain the Australian War Memorial and other sources in Australia and New Zealand and the many websites that researchers can turn to and he gives advice on the literature archives museums and monuments that may help you to gain an insight into your ancestor s story

Our L.A. County Lifeguard Family , An Archaeology of Australia Since 1788 Susan Lawrence,Peter Davies,2010-10-21 This volume provides an important new synthesis of archaeological work carried out in Australia on the post contact period It draws on dozens of case studies from a wide geographical and temporal span to explore the daily life of Australians in settings such as convict stations goldfields whalers camps farms pastoral estates and urban neighbourhoods The different conditions experienced by various groups of people are described in detail including rich and poor convicts and their superiors Aboriginal people women children and migrant groups The social themes of gender class ethnicity status and identity inform every chapter demonstrating that these are vital parts of human experience and cannot be separated from archaeologies of industry urbanization and culture contact The book engages with a wide range of contemporary discussions and debates within Australian history and the international discipline of historical archaeology The colonization of Australia was part of the international expansion of European hegemony in the eighteenth and nineteenth century The material discussed here is thus fundamentally part of the global processes of colonization and the creation of settler societies the industrial revolution the development of mass consumer culture and the emergence of national identities Drawing out these themes and integrating them with the analysis of archaeological materials highlights the vital relevance of archaeology in modern society

"White Russians, Red Peril" Sheila Fitzpatrick,2021-05-12 Over 20 000 ethnic Russians migrated to Australia after World War II yet we know very little about their experiences Some came via China others from

refugee camps in Europe Many preferred to keep a low profile in Australia and some attempted to pass as Polish West Ukrainian or Yugoslavian They had good reason to do so to the Soviet Union Australia's resettling of Russians amounted to the theft of its citizens and undercover agents were deployed to persuade them to repatriate Australia regarded the newcomers with wary suspicion even as it sought to build its population by opening its door to more immigrants Making extensive use of newly discovered Russian language archives and drawing on a lifetime's study of Soviet history and politics award winning author Sheila Fitzpatrick examines the early years of a diverse and disunited Russian Australian community and how Australian and Soviet intelligence agencies attempted to track and influence them While anti Communist White Russians dreamed a war of liberation would overthrow the Soviet regime a dissident minority admired its achievements and thought of returning home *Amplifying that Still, Small Voice* Frank Brennan, 2015-12-31 Frank Brennan has been a long time advocate for human rights and social justice in Australia This collection of essays brings together some of his major addresses and writings on justice in the Catholic Church and in Australian society Placing the individual's formed and informed conscience as the centre piece in any work for justice he surveys recent developments in the Catholic Church including the handling of child sexual abuse claims and the uplifting effect of the papacy of Francis the first Jesuit pope He then applies Catholic social teaching and the jurisprudence of human rights to contested issues like the separation of powers and the right of religious freedom and to the claims of diverse groups including Aborigines asylum seekers the dying and same sex couples At every step he is there in the public square amplifying that still small voice of conscience especially the voice of those who are marginalised *Tracing Your Family History in Australia* Nicholas John Vine Hall, Nick Vine Hall, 1985 *Don't Tell My Mother* Peter Duggan-Smith, Ealge Duggan-Smith, 2000-08-11 A devil may care account of hair raising flying hard drinking fast ladies and an unbelievable insouciance in the face of danger **A Dictionary of Family History** Jonathan Scott, 2017-02-28 An A to Z genealogy reference for those who want to research their family trees Part encyclopedia part dictionary part almanac this is a practical easy to use reference filled with thousands of fact filled A to Z entries You'll find definitions of genealogy terms timelines details of available archives and websites advice on research methods explanations of genealogical peculiarities and puzzles that would test the knowledge of even veteran researchers With an emphasis on families with ancestors from Great Britain this book includes many intriguing historical tidbits such as the mechanics of the first census For those interested in family local and social history it's both a useful tool and an enjoyable compendium
