Out Shadows Tangled Tiffany Snow:

Play to Win Tiffany Snow, 2016-02-23 PLAY FAIR OR PLAY TO WIN Falling in love with polar opposite men was an intoxicating ride that nearly ended Sage Reese's life. Now it's time for Sage to decide Parker the clean cut filthy rich business magnate or Ryker the tough as nails undercover detective. Her choice? Neither. Because she can't stand the thought of coming between two brothers in arms finally trying to repair their friendship. Yet not everyone feels the same way, including a mysterious woman who's come to Ryker and Parker for help. Sage knows firsthand how hard it is for the two former Marines to resist a damsel in distress. But something just doesn't feel right. Now there's a danger closing in that only Sage can see and she intends to do everything she can to protect Parker and Ryker even at the risk of losing them both. No one writes a love triangle better than Tiffany Snow. Jill Shalvis

DARK HONOR VOLUME 2 Zahier Adams, 2021-05-23 He's tall and slender always wearing a suit, his eyes have pure darkness in them. Stare at me and I will get you to tell me what you desire, the words spoken in a deep soft tone that can make the hair at the back of your neck stand up. All his life he has been trying to make people believe that darkness and evil are all a myth. That way he lures them to his dungeon and grins at their pain and blood splattering all over the floor as the rats feast on the remains of the dead bodies. His dark eyes do not only mislead you into trusting him but also make you feel like it's the safest place to be. Lucifer Morningstar has served many years in prison; his reputation is well known for bringing fear into others just by the whisper of his name. He walks across the dungeon as his slaves plead for death rather than to live, the fear of anticipation of the unknown. Lucifer turned his son into a demon. Joshua is different though; he is fast and smart and only kills when necessary until one day his dad underestimated his capabilities and finds out his son is more dangerous than he anticipated. Joshua has a sister who has a secret of her own, the only person who knew her secret is buried six feet under. Lucifer's enemies never live long enough to tell the tale, and being the most feared and cruel person on earth makes his family a constant target. Until one day he loses two precious people. In his life even though he has been warned of the consequences to his actions, they will lead to the death of the two dear loved ones in his life. This has angered him in such a way that he sees humanity as repelling. The shadows, the tales, the story you have heard is all true, the bedtime stories that were read to him as a child were not just a story. It was a sign to prepare him for the future. Wherever Joshua went, he always felt a strong presence around him. Getting older, he started to understand the evil he was surrounded by and the evil that really exists. The blood of a demon weakens you, especially when you have it running through your veins. It infuriates you with anger and strength. The more you fight it, the weaker you become. Only the blood of an angel can save you. Thread carefully, look back, those shadows aren't ordinary shadows; it's your enemies within you. Joshua's consistency of his drug habit makes him weaker until Tiffany starts showing who she is. Take this journey and embrace it by living it to the fullest. Death is pleasant when you are an enemy of the Devil himself. Families have been destroyed as well as the most powerful men in the world; he will not only rule you but also ruin your world. Your perfect life was not so perfect after all, especially if LUCIFER
