Welcome to the Outback Sue Williams, 2012-03-21 The Outback isn't a place on a map it's a place in your heart It's an attitude how you treat people a way of behaving It's your belief system and how a whole nation of Australians often long for a time when life was simpler less complicated more genuine Sue Williams has long been fascinated by the Outback its striking landscapes the salt of the earth characters it breeds its wonders and its weirdness But to date her focus has been on others' lives Now putting her bravest foot forward Sue sets out to see our country as it really is warts and all She accepts every new challenge that comes her way including pregnancy testing cows at a remote property joining a cattle drive across Queensland visiting the deadliest town in Australia and fronting up to a ferocious fighter in the last boxing tent in the world It's tough for a city slicker but she won't stop until she discovers what the real Outback is all about
