Outside Eden A Harper Jennings Mystery:

Outside Eden Merry Jones, 2013-07-01 July Israel Iraqi war vet and archaeology graduate Harper Jennings doesn't believe in the evil eye. So when Hagit, the woman assigned to show her and Chloe Harper's fourteen-month-old baby around Tel Aviv, drags the pair of them into a market to buy charms to ward off evil, it isn't the bad luck she fears but the market itself. Close, dark, and crowded, the place worries Harper, and when an American man seems to be in trouble, it is only the presence of baby Chloe that stops her from wading in to help. Later, to Harper's dismay, she learns that the man she saw was murdered. So when she's invited to take part in an dig fifty miles away while her geologist husband Hank takes part in the international symposium that has brought them both to Israel, she accepts. It will be safer away from the market, she thinks. But Hagit, who's coming along to look after Chloe, disagrees. She is convinced the evil eye is to blame and that it will follow Harper wherever she goes.

The Elle Harrison Collection Merry Jones, 2019-12-10 This three-book collection delivers laugh-out-loud moments but at its core is deadly darkness. Elle Harrison, a fourth-grade teacher, has had a life without adversity until her husband's infidelity and other much worse catastrophes disrupts her world. In *The Trouble with Charlie*, Elle's soon-to-be ex-husband has been stabbed to death; she wonders whether she could have done it in one of those foggy moments. Her friends call, pulling an Elle. When she goes off with her girlfriends to a cosmetic surgery retreat in *Elective Procedures*, she seems to be a magnet for unexplained deaths. And in *Child's Play*, on the first day of school, Elle finds the principal in her school murdered and a second teacher dead not long after. Constant among these three separate, seemingly unrelated yet intricately tied stories is Elle's charm, her indomitable spirit, and the huge support she gets from her friends. As they all grapple with their problems, they come to believe that Elle has a dissociative disorder that obscures her reality. The *Elle Harrison* stories open some dark doors, each one darker than the other, as the vulnerable Elle challenges her deepest convictions about guilt and innocence, childhood, and family. Pushed to her limits, she's forced to face her fears and apply all her skills in a deadly fight to save her sanity and her life.

In the Woods Merry Jones, 2015-02-01 A relaxing camping break for Iraqi war vet Harper Jennings and her husband takes an unpleasant turn when Harper stumbles across a dead body. Harper Jennings, mother, Iraqi war vet, and archaeology graduate, knows she should be counting her blessings that she's able to enjoy a child-free camping trip with husband Hank. Hank's recovery from a brain injury after falling from their roof is nothing short of miraculous. But Harper misses baby Chloe. And she worries that in being so wrapped up in her toddler, she's lost her own identity. But her worries pale into insignificance when she stumbles across a body in the woods. Accident? Harper doesn't think so, and neither does Ranger Daniels, who seems to blame local militia known as the Hunt Club, who will do anything it seems to protect the land they see as their birthright. Harper wonders what exactly she's doing in some dark state forest tripping over corpses when she could be at home with her little girl, but when a fellow camper's husband goes missing, she finds herself reluctantly sucked into the hunt and into a waking nightmare.
