Outsiders In Christ Conversations Near The Edge Of Faith:

Living on the Edge of the Edge Ruth Elizabeth Krall, Lisa Schirch, PhD, 2017-06-19 There are several divisive issues that separate Christian from Christian in the current century One issue is the church's management of clergy sexual abuses of children teens and adults A second is the issue of sexual gender orientation and church membership Contemporary Christian denominations often intermingle the divisive issue of clergy and religious leader sexual abusiveness with the equally divisive issue of sexual gender orientation In this book Professors Krall and Schirch disentangle and discuss these two issues They discuss their personal and their professional opinions about ways in which religious and spiritual teaching communities can avoid the institutional perils of abusive clericalism and divisive denominational management practices Throughout the book they apply Anabaptist Mennonite principles of peace making in situations of sexual violation Case studies are provided A feminist hermeneutic is applied Each letter essay is auto ethnographic in style the professional and the personal are deliberately blurred inside a framework of narrative and story Each essay is deeply rooted in its author's academic interests and in her personal life history This book can be a text in graduate and undergraduate classrooms It can also be used in denominational self study programs

Beyond Cutting Edge? Paul C. Heidebrecht, 2014-03-10 A quick scan of any newsstand is enough to confirm the widespread preoccupation with technological change As a myriad of articles and advertisements demonstrate not only are we preoccupied with technology but we are bombarded with numerous reminders that the cutting edge is in constant motion Most often the underlying assumption of Christians is that we have no choice but to find ways to cope with the latest and greatest Indeed it is often assumed that the church has no choice but to find ways to cope with its new technological context This book does not make the same assumptions Building on the work of Mennonite theologian John Howard Yoder it argues that the practices of the church make it possible for Christians to conscientiously engage technology This happens when we recognize that marks of the church such as patience vulnerability and servanthood can put technological ideals such as speed control and efficiency in their proper place In the course of grappling with three examples of morally formative technologies automobiles genetically modified food and the Internet this book goes beyond Yoder's thought by emphasizing that the church also plays a crucial role in our moral formation

Hindu God, Christian God Francis Xavier Clooney, 2001 This volume offers an in depth study of key themes common to the Hindu and Christian religious traditions It redefines how we think about Hinduism comparative study and Christian theology This book offers a bold new look at how traditions encounter one another and how good comparisons are to be made Redefining theology as an interreligious comparative dialogical and confessional practice open to all people it invites not only Hindus and Christians but also theologians from all religious traditions to enter into conversation with one another

Voices from the Edge Michelle Panchuk, Michael Rea, 2020 This book addresses the various ways in which key social identities for example race gender and disability intersect with shape and are shaped by traditional questions in analytic theology and

philosophy of religion The book both breaks new ground and encourages further analytic theological work in these important areas of research Contagious Faith Mark Mittelberg,2021-10-05 Contagious Faith will prepare you to share God's love with others in a way that's authentic, comfortable and impactful As disciples of Christ we are called to share the gospel but few of us are naturally comfortable with evangelism We wrestle with internal fears, a lack of preparation and the sense that reaching out to others might force us to act like someone we're not What if we could find a way to talk about Jesus that fits our personalities makes us feel confident and ignites a fire in others In Contagious Faith bestselling author and teacher Mark Mittelberg introduces five approaches to evangelism and helps you determine which of them fit best with your unique personality and style Friendship Building Selfless Serving Story Sharing Reason Giving Truth Telling He also explains in a down to earth fashion several key skills that will help you talk about Jesus effectively illustrating his message with real life accounts of ordinary believers who applied these principles for extraordinary impact With inspiring stories, fresh approaches and timeless biblical wisdom Contagious Faith will equip you to make a spiritual impact in the lives of the people around you even in our increasingly resistant culture **Contagious Faith Bible Study Guide plus Streaming Video** Mark Mittelberg,2021-12-28 What if you could find a way to share your faith in Jesus that feels natural, fits your personality and ignites a fire in others In this video based evangelism training course video streaming code included author of Becoming a Contagious Christian Mark Mittelberg introduces five approaches to evangelism to help you determine which of them fit best with your unique gifts and personality Friendship Building Selfless Serving Story Sharing Reason Giving Truth Telling As disciples of Christ we are called to share the gospel but few of us are naturally comfortable with evangelism We wrestle with a sense of insecurity, a lack of preparation and the sense that reaching out to others might force us to act like someone we're not And many of us feel guilty when we fail to use an opportunity to talk about our faith lowering our confidence even further Building upon popular personality type methods the Contagious Faith assessment will help you identify your primary style along with any secondary styles you discover You'll learn next steps for developing and deploying your natural approach to evangelism and work through interactive prompts to practice the methods Mark unpacks in the videos The Contagious Faith Study Guide can be used in small groups, classes, student ministries and church wide campaigns and has everything you need to participate including The guide itself with discussion and personal reflection questions, prompts, video notes and a leader's guide An individual access code to stream all six video sessions online, you don't need to buy a DVD An assessment quiz to help you determine your Contagious Faith style The training videos also include short interviews with Mark and five individuals who speak and use each of the 5 faith sharing styles so that you can see them in action Streaming video access code included Access code subject to expiration after 12/31/2027 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited, taxed or restricted by law Additional offer details inside A Rite on the Edge Sarah Lawrence,2019 When it

comes to baptism there is a profound disconnect between what churches and clergy understand it to mean and the understanding of those non churchgoing families seeking the rite for their children Clergy and regular churchgoers feel that the church is being used and abused by families seeking a baptism when they perceive them to be looking for just an excuse for a party On the other hand families seeking a christening in their local churches are baffled by the lack of enthusiasm and encouragement they find when they approach their local church Using a new interdisciplinary approach to practical theology *A Rite on the Edge* reflects theologically on the findings of research conducted by Sarah Lawrence into baptism in the Church of England and in English culture more widely using insights and research methods from corpus linguistics It offers a profound challenge for those struggling to comprehend how outsiders understand baptism More fundamentally it asks how the Church of England can remain present and available for all at a time of heightened tensions and confused expectations about who the church is for

The ^AGreat Conversation Belden C. Lane, 2019-05-01 In the face of climate change species loss and vast environmental destruction Belden C Lane s spiritually centered environmentalism suggests that we must look to teachers in nature to understand how to save ourselves Pairing anecdotes of personal encounters with nature with the teachings of spiritual leaders from a range of religious traditions this book invites us to participate once more in the great conversation among all creatures and the earth itself

Communicating Faith John Sullivan, 2011 This book enriches appreciation of the many ways that Christian faith is communicated It casts light on the sensitivities skills and qualities necessary for the effective communication of faith where justice is done both to the seed to be sown and to the soil being cultivated

T. S. Eliot and Christian Tradition Benjamin G. Lockerd, 2014-06-18 T S Eliot was raised in the Unitarian faith of his family in St Louis but drifted away from their beliefs while studying philosophy mysticism and anthropology at Harvard During a year in Paris he became involved with a group of Catholic writers and subsequently went through a gradual conversion to Catholic Christianity Many studies of Eliot s writings have mentioned his religious beliefs but most have failed to give the topic due weight and many have misunderstood or misrepresented his faith More recently scholars have begun exploring this dimension of Eliot s thought more carefully and fully In this book readers will find Eliot s Anglo Catholicism accurately defined and thoughtfully considered Essays illuminate the all important influence of the French Catholic writers he came to know in Paris Prominent among them were those who wrote for or were otherwise associated with the *Nouvelle Revue Fran aise* including Andr Gide Paul Claudel and Charles Louis Philippe Also active in Paris at that time was the notorious Charles Maurras whose influence on Eliot has been exaggerated by those who wished to discredit Eliot s traditionalist views A more measured assessment of Maurras s influence has been needed and is found in several essays here A wiser French Catholic writer Jacques Maritain has been largely ignored by Eliot scholars but his influence is now given due consideration The keynote of Eliot s cultural and political writings is his belief that religion and culture are integrally related Several contributors examine his ideas on this subject placing them in the context of Maritain s ideas as well as those of the

Catholic historian Christopher Dawson Contributors take account of Eliot's intellectual relationship with such figures as John Henry Newman Charles Williams and the expert on church architecture W R Lethaby Eliot's engagement with other contemporaries who held a variety of Christian beliefs including George Santayana Paul Elmer More C S Lewis and David Jones is also explored This collection presents the subject of Eliot's religious beliefs in rich detail from a number of different perspectives giving readers the opportunity to see the topic in its complexity and fullness
