Outstanding Black Sermons:

Outstanding Black Sermons Milton E. Owens, 1976 The thirteen sermons included in this volume were born of a unique cultural perspective and an unwavering Christian faith These sermons were chosen because they are examples of the best preaching done in black churches today

Outstanding Black Sermons Walter B. Hoard, 1976 The thirteen sermons included in this volume were born of a unique cultural perspective and an unwavering Christian faith These sermons were chosen because they are examples of the best preaching done in black churches today

Outstanding Black Sermons Walter B. Hoard (Ed), 1979

Contemporary African American preaching P3040 , L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories Portraying the many approaches that are empowering preaching in African American churches today Bond shows how different theological perspectives produce different methods of sermon preparation and delivery different strategies for selecting illustrative material and even different ways of beginning and ending sermons Her goal is not to lift up the right way to preach in the African American tradition but to show the richness and nuance contained within this powerful cultural expression

Handbook of Contemporary Preaching, 2nd Edition Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching

African American Religious Studies Gayraud S. Wilmore, 1989 This anthology provides a coherent interdisciplinary theoretical base for students of African American religious studies and will assist in the design of programs and courses for lay theological education and training To this end the editor has assembled material from Old and New Testament studies theology church history pastoral counseling worship and social action

Black Families Harriette Pipes McAdoo, 2007 Publisher Description

African American Single Mothers Bette Dickerson, 1995-01-17 The African American single parent family has tended to be a scapegoat for a variety of social problems ranging from poverty to drug abuse As a result there exists much misinformation about this family form In this collection the African American matriarchal family is re evaluated to present a more informed picture of its actual structure and functioning From an Afrocentric feminist perspective contributors examine the history legal dilemmas media images and religious values of these families The roles of children grandparents fathers other support figures and the government are reviewed This insider view of these households concludes with suggestions of more effective and sensitive policy approaches to this t

The Black Church Studies Reader Alton B. Pollard, Carol B. Duncan, 2016-04-29 The Black Church Studies Reader addresses the depth and breadth of Black theological studies from Biblical studies and ethics to homiletics and pastoral care The book examines salient themes of social and religious significance such as gender sexuality race social class health care and public policy While the volume centers around African American experiences and studies it also attends to broader African continental and Diasporan religious

contexts The contributors reflect an interdisciplinary blend of Black Church Studies scholars and practitioners from across the country The text seeks to address the following fundamental questions What constitutes Black Church Studies as a discipline or field of study What is the significance of Black Church Studies for theological education What is the relationship between Black Church Studies and the broader academic study of Black religions What is the relationship between Black Church Studies and local congregations as well as other faith based entities The book s search for the answers to these questions is compelling and illuminating

Black Communications and Learning to Read Terry Meier, 2020-08-19 This book is about effective literacy instruction for students in grades K 4 who use the language variety that many linguists call African American English but which as explained in the Introduction the author calls Black Communications BC Throughout considerable attention is given to discussing the integral and complex interconnections among African American language culture and history drawing significantly on examples from African American historical and literary sources Although it is theoretical in its description of the BC system and its discussion of research on language socialization in African American communities the major focus of this book is pedagogy Many concrete examples of successful classroom practices are included so that teachers can readily visualize and use the strategies and principles presented

Part I What is Black Communications presents an overview of the BC system providing a basic introduction to the major components of the language phonology grammar lexicon and pragmatics and illustrating how these components work in synchrony to create a coherent whole

Part II Language Socialization in the African American Discourse Community examines existing research on African American children s language socialization

Part III Using African American Children s Literature draws connections between strategy instruction and the linguistic and rhetorical abilities discussed in Part II Each chapter ends with suggestions for using African American literature to help children develop their speaking and writing abilities

Part IV Children Using Language moves from a focus on teaching comprehension strategies to helping BC speakers learn to decode text This volume is directed to researchers faculty and graduate students in the fields of language and literacy education and linguistics and is well suited as a text for graduate level courses in these areas
