ENGLISH DESCRIPTION Despite my best intentions I was beginning to understand how my dad saw the world The shadows haunting every living thing The secrets inside the lies wrapped in bullshit Even Gracie's box of pills was beginning to make sense For the past five years Hayley Kincaid and her father Andy have been on the road trying to outrun the memories that haunt them both They moved back to Andy's hometown to try a normal life but the horrors he saw in the war threaten to destroy their lives Hayley watches helpless as her father turns to drugs and alcohol to silence his demons And then her own past creeps up and everything falls apart How do you keep your father alive when death is stalking him What are you supposed to do when your parent stops acting like an adult And what happens if a sweet guy who can make you laugh barges his way into your world and for the first time you find yourself thinking about the future Timely compelling surprising this is Laurie Halse Anderson at her finest
