Orphanage Jason Wander:

Orphan's Journey Robert Buettner, 2011-10-13 In the years since the last Slug War Jason's command style hasn't made him any friends in the Army. Now in an effort to keep him out of trouble the Army has sent Jason to the vast Earth orbiting resort called New Moon. At the core of this enormous space station is a starship, a relic from the last war. When a test run of the ship goes wrong, Jason along with a handful of others will be torn from orbit and thrust into space. Now stranded on an alien planet, Jason realizes that not only are his friends looking to him for rescue, but an entire planet sees him as their only hope.

Orphanage Robert Buettner, 2011-10-13 When earth needs heroes, who will we call to valour? When flares streaking across the sky herald massive destruction, who will defend us? When mankind's enemy is beyond our worst imagination, we will need champions. And will we pick the brightest and the toughest or the ones with nothing left to lose? WAR IS AN ORPHANAGE. Mankind's first alien contact tears into Earth, projectiles launched from Jupiter's moon, Ganymede, vaporize whole cities. Under siege, humanity gambles on one desperate counterstrike. In a spacecraft scavenged from scraps and armed with twentieth century weapons, foot soldiers like eighteen year old Jason Wander orphan that no one will miss must dare to embark on man's first interplanetary voyage and invade Ganymede. They have one chance to attack, one ship to attack with. Their failure is our extinction.

Orphan's Destiny Robert Buettner, 2011-10-13 The battle of Ganymede taught Jason Wander about the devastation of war. After seeing the deaths of his troops as well as his lover, this battle-scarred soldier is ready for peace. At twenty-five, General Jason Wander has fought and won man's only alien conflict. Now, after long years in space, he's coming home, but to what? Earth's desperate nations, impoverished by war damage and military spending, are slashing defence budgets. There's just one problem with this new worldwide policy: the first alien invasion was merely Plan A. Suddenly, the real assault begins. Earth is attacked by a vast armada of city-sized warships. To block their invasion, mankind has only one surviving craft and a single guerrilla strike force, a suicide squad led by Jason Wander.

Orphan's Alliance Robert Buettner, 2011-10-13 Jason's army defeated the slugs on Bren, and now fifteen years later he finds himself once more commanding an invasion force. This time they must expel the Slugs from a small moon where they decimated the human inhabitants. And although Earth has finally begun to mobilise against the aggressors, a new and problematic faction has arisen. The totalitarian government of Tressel, a strategically situated planet, is willing to defeat the Slugs at any cost, regardless of the human casualties. Unfortunately for Jason, his godson Jude is attracted to Tressel's total war policies. As the struggle continues, Jason is not only fighting for the survival of the human race, but for his relationship with the only family he has left.

Undercurrents Robert Buettner, 2011-07-01 Second in the hard hitting military science fiction Orphan's Legacy series. Ace intelligence operative Lt Jazen Parker parachutes into a giant habitat known as Paleozoic on a mission to bring down the local politicians. He quickly realizes he's been handed a near impossible task. Paleozoic is a politically quarantined nightmare world with a culture confined to iron rivet technology and a ruling regime a bit to the right of Heinrich Himmler. Jazen's

inclined to abandon this particular hellhole to its ways that is until he uncovers a plot afoot that will throw a five hundred planet alliance into the death throes of anarchy So the local Nazis must go Unfortunately all Jazen s got to work with is a handful of rust bucket tanks a retread rebellion and two strong beautiful women who love him but think he s tilting at windmills and is about to get himself killed What they don t know is once committed Jazen Parker is the best there is when it comes to getting the dirty job done on the ground It s the local bullies who are about to be taught a lesson in losing At the publisher s request this title is sold without DRM Digital Rights Management

Orphan's Triumph Robert Buettner, 2011-10-13 Mankind s reunited planets now control a vital crossroads after forty years of fighting one that secures their uneasy union The doomsday weapon that can end the Slug war and the mighty fleet that will carry it to the Slug homeworld also lie within humanity s grasp but all is far from won Since the Slug Blitz orphaned Jason Wander he has risen from infantry recruit to commander of Earth s garrisons on the emerging allied planets But four decades of service have cost Jason not just his friends and family but his innocence Then an enemy counterstroke threatens to reverse the war and destroy mankind Jason must finally confront not only his lifelong alien enemy but the reality of what he has become after a lifetime of conflict

Balance Point Robert Buettner, 2014-04-08 3 in the science fiction adventure Orphan s Legacy series a saga of spy games and military action on an interplanetary scale The balance point of interplanetary Cold War II between Earth and monolithic Yavet tips unexpectedly toward peace Covert ops Captain Jazen Parker and his sharp shooting lover and partner Kit Born slide from world saving hazardous duty to escorting a telepathic alien monster home from Earth to mate And the two of them are forced to consider a quiet domestic future together But when old enemies thirsts for power and revenge Jazen s problematic past and his former girlfriend upset Jazen and Kit s personal balance point the two cold warriors find their relationship and their very survival tested as never before Lost in space and from one another they must each penetrate Yavet the universe s most insular and repressive world then foil a plot that could turn Cold War II hot and nuclear or die trying At the publisher s request this title is sold without DRM Digital Rights Management
