Orthodox Tewahedo Poems In Amharic:

The Traditional Teaching of the Ethiopian Orthodox Täwahedo Church Christine Chaillot, 2023-11-06 Christine Chaillot's new book *The Traditional Teaching of the Ethiopian Orthodox T wahedo Church Faith and Spirituality* presents a topic that is little if at all known outside Ethiopia even in Christian circles. Moreover, it is a much neglected field in the wider study of African education. It is a teaching based on ancient texts and books taught orally to the students who will become the future clergy and who will then share their knowledge with the faithful in Church life. The studies of the different disciplines are pursued at different schools and at different levels in liturgy, theology, with commentaries of books Old and New Testaments, books of the Church fathers and monks as well as composition of poems, genes and iconography. All this teaching presented in the present volume is deeply related to the faith and spirituality of the Ethiopian Orthodox Church. This teaching is a unique intangible cultural heritage. One wonders however what its future will be in the context of the modern educational methods and social attitudes that have evolved in Ethiopia over the last half century. **The Ethiopian Orthodox Tewahedo Church Tradition** Christine Chaillot, 2002

Trails of Grief, Hope, and Triumph T. W. Gabriel, 2022-05-02 A dramatic image of people forced to leave their country has become all too common in our TV. It could be the result of war, persecution, famine, and ethnic violence. The refugees leave with almost no assets to sustain them in the host country. International community may be of help to some but the vast majority are left to their own devices. In this book, three stories of people who became refugees under different conditions are included. In *Honor Killing*, Familial Terrorism, the story is about a father who was persecuted by a dictatorial regime, imprisoned and released with severe warning he had to leave his country with his family in tow. The family succeeded in their adopted country only to face horrendous crime by their misguided son. The second story *Wailing Voices* is about the deportation of an Eritrean family when the war broke out between Ethiopia and Eritrea. In their native country, they faced a host of challenges that impacted their lives. The third story *Goatherd in Exile* is about a young man who was born and raised in a remote village with no access to the benefit of technology, had crossed a border to Sudan with fleeing rebels and built a successful business because of an indomitable fortitude. *IES Bulletin*, 2000-06
