George Lyman Kittredge's insightful editions of Shakespeare have endured in part because of his eclecticism, his diversity of interests, and his wide-ranging accomplishments, all of which are reflected in the valuable notes in each volume. These new editions have specific emphasis on the performance histories of the plays on stage and screen. Features of each edition include: The original introduction to the Kittredge Edition; Editor's Introduction to the Focus Edition; An overview on major themes of the plays and sections on the play's performance history on stage and screen; Explanatory Notes. The explanatory notes either expand on Kittredge's superb glosses or, in the case of plays for which he did not write notes, give the needed explanations for Shakespeare's sometimes demanding language. Performance notes. These appear separately and immediately below the
