our kind of people

PREMIERES
TUESDAY SEPT 21 FOX

Our Kind Of People

**Curtiss Paul DeYoung, Michael O.
Emerson, George A. Yancey**

Our Kind Of People:

Our Kind of People Uzodinma Iweala, 2012-07-05 HIV AIDS is more divisive and destructive than any other disease tearing apart communities and ostracising the afflicted Award winning novelist Uzodinma Iweala embarks on a remarkable journey around the African continent meeting individuals and communities that are struggling daily with the disease He meets people from all walks of life from sex workers to the truck drivers who frequent them from the doctors and nurses who tend the sick to the children orphaned by the illness and their adoptive families He meets the wives of husbands with HIV and the husbands of wives with the virus Beautifully written and heart breakingly honest **Our Kind of People** goes behind the headlines of this epidemic to show the real lives affected by it illuminating the scope of the crisis and a continent's desperate struggle

Our Kind of People Carol Wallace, 2022-01-11 Fans of *Bridgerton* will love this exuberant novel of manners for our own gilded age Stacy Schiff author of *Cleopatra* as we follow the Wilcox family's journey through riches and ruin Among New York City's Gilded Age elite one family will defy convention Helen Wilcox has one desire to successfully launch her daughters into society From the upper crust herself Helen's unconventional if happy marriage has made the girls social position precarious Then her husband gambles the family fortunes on an elevated railroad that he claims will transform the face of the city and the way the people of New York live but will it ruin the Wilcoxes first As daughters Jemima and Alice navigate the rise and fall of their family each is forced to re-examine who she is and even who she is meant to love From the author of *To Marry an English Lord* an inspiration for *Downton Abbey* comes a charming and cutthroat tale of a world in which an invitation or an avoided glance can be the difference between fortune and ruin

Summary of Lawrence Otis Graham's Our Kind of People Everest Media, 2022-07-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I grew up believing that there were only two types of black people the black elite and those who weren't I recall summertime visits from my maternal great grandmother a well educated light complexioned and straight haired black southern woman who discouraged me and my brother from associating with darker skinned children or from standing or playing in the sunlight for long periods of time 2 I learned about the importance of class distinctions within my black world at a young age As I moved quickly to the safety of the shade I beckoned my brother to protect his complexion from the blackening sun 3 I knew that I didn't fit in with the black elite and that I would never have the right credentials to be a part of it I knew that I had one foot inside and one foot outside of the group 4 The black elite have roots that can be traced back to when slavery began in this country When the first Africans arrived on the shores of Jamestown Virginia in 1619 neither the white Dutch or Portuguese slave traders nor the white American plantation owners had any knowledge of or interest in the tribal and cultural differences between the Mandingo Dahomean Ashanti Mbundu Ewe or Bantu blacks

Our Kind of Cruelty Araminta Hall, 2025-09-23 A searing chilling sliver of perfection May well turn out to be the year's best thriller Charles Finch The New York Times Book Review This is simply one of the nastiest and most disturbing thrillers I

ve read in years I loved it right down to the utterly chilling final line Gillian Flynn A perfect nightmare of a novel as merciless a thriller as I ve ever read Astonishingly dark and sensationally accomplished A J Finn author of The Woman in the Window A spellbinding darkly twisted novel about desire and obsession and the complicated lines between truth and perception Our Kind of Cruelty introduces Araminta Hall a chilling new voice in psychological suspense This is a love story Mike s love story Mike Hayes fought his way out of a brutal childhood and into a quiet if lonely life before he met Verity Metcalf V taught him about love and in return Mike has dedicated his life to making her happy He s found the perfect home the perfect job he s sculpted himself into the physical ideal V has always wanted He knows they ll be blissfully happy together It doesn t matter that she hasn t been returning his e mails or phone calls It doesn t matter that she says she s marrying Angus It s all just part of the secret game they used to play If Mike watches V closely he ll see the signs If he keeps track of her every move he ll know just when to come to her rescue United by Faith Curtiss Paul DeYoung, Michael O. Emerson, George A. Yancey, 2004 Presents an argument for multiracial Christian congregations in breaking down racial barriers in the United States **One of Our Kind** Nicola Yoon, 2024-06-13 Your bookclub will be discussing this one for DAYS Jodi Picoult author of SMALL GREAT THINGS Get Out meets The Stepford Wives in 1 New York Times best selling author Nicola Yoon s first adult novel When Jasmyn Williams and her husband King realise they re expecting their second child they decide to move to the town of Liberty California hoping to find a community of like minded people where their growing family can thrive in a majority Black environment King settles in at once embracing the Liberty ethos including the luxe wellness centre at the top of the hill which proves to be the heart of the community But Jasmyn struggles to find her place She expected to find liberals and social justice activists striving for racial equality but Liberty residents seem more focused on booking spa treatments and ignoring the world s troubles Then as Jasmyn gets further into her pregnancy she discovers a terrible secret that turns her frustration to dread A secret that could threaten the safety of not only her family but everything she believes in Tense thrilling and packed with insightful social commentary One of Our Kind explores what happens when the quest for true liberation comes at a shocking price from an acclaimed author at the height of her powers **Our Kind of Historian** E. James West, 2022-07-29 An intellectual biography of the trailblazing African American historian activist and scholar Journalist activist popular historian and public intellectual Lerone Bennett Jr left an indelible mark on twentieth century American history and culture Rooted in his role as senior editor of Ebony magazine but stretching far beyond the boundaries of the Johnson Publishing headquarters in Chicago Bennett established himself as a prominent advocate for Black America and a scholar whose writing reached an unparalleled number of African American readers This critical biography the first in depth study of Bennett s life travels with him from his childhood experiences in Jim Crow Mississippi and his time at Morehouse College in Atlanta to his later participation in a dizzying range of Black intellectual and activist endeavors Drawing extensively on Bennett s archival collections at Emory University and Chicago State as well as interviews with close relatives

colleagues and confidantes Our Kind of Historian celebrates his enormous influence within and unique connection to African American communities across more than half a century of struggle Our Kind of Music Lindsay Grattan

Cooper,2014-03-28 This is a story of people you might know Some kindly men a few hysterical women sons who cause exasperation It is a story of halted dreams of new dreams dreamed of love and loyalty and love and disloyalty Our Kind of Music follows one man s journey along a highway initially perceived to be clear of obstacles but which inevitably presents hurdles he could not anticipate It is also the story of his son whose bravado leads him along a different path to the soul searching that this ultimately entails Set against shifting backgrounds some as exotic as the Seychelles and Tahiti some as safely domestic as New England s Vermont and old England s Dorset and others as vibrant as Sydney and New York this story is rich in personality fostering an innate knowledge of who the characters are and how they feel Not all are liked but some are so deeply loved that they linger in the senses and by the end you might almost expect to bump into them like old friends on Main Street This novel is set over four decades starting in 1937 and culminating in early 1982 less driven by the events of those years than merely touched by them just as world events are experienced by ordinary lives But always always running through those years there is music Our Kind of Music is a book about ordinary people attempting to lead ordinary lives not always successfully and though it is not without doses of light trauma readers will discover a strong sense of place all around the world and a nostalgic theme of music running throughout **Princeton Alumni Weekly** ,1998 **The**

Hunter Elite Tara Kathleen Kelly,2018-03-15 At the end of the nineteenth century Theodore Roosevelt T S Van Dyke and other elite men began describing their big game hunting as manly sport with the rifle They also began writing about their experiences publishing hundreds of narratives of hunting and adventure in the popular press and creating a new literary genre in the process But why did so many of these big game hunters publish What was writing actually doing for them and what did it do for readers In exploring these questions The Hunter Elite reveals new connections among hunting narratives publishing and the American conservation movement Beginning in the 1880s these prolific hunter writers told readers that big game hunting was a test of self restraint and manly virtues and that it was not about violence They also opposed their sportsmanlike hunting to the slaughtering of game by British imperialists even as they hunted across North America and throughout the British Empire Their references to Americanism and manliness appealed to traditional values but they used very modern publishing technologies to sell their stories and by 1900 they were reaching hundreds of thousands of readers every month When hunter writers took up conservation as a cause they used that reach to rally popular support for the national parks and for legislation that restricted hunting in the US Canada and Newfoundland The Hunter Elite is the first book to explore both the international nature of American hunting during this period and the essential contributions of hunting narratives and the publishing industry to the North American conservation movement
