Brothers and Sisters in Adoption Arleta James, 2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it Brothers and Sisters in Adoption offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive

Adoptees Come of Age Ronald J. Nydam, 1999-01-01 Ronald Nydam acquaints the pastoral counselor with some of the struggles that adopted people confront in their development and in their adult lives Drawn from the compelling stories of people who have been adopted this book provides an intelligent and accessible description of the distinct emotional and spiritual challenges faced by adoptees and their families The purpose of the Counseling and Pastoral Theology series is to address clinical issues that arise among particular populations currently neglected in the literature on pastoral care and counseling This series is committed to enhancing both the theoretical base

and the clinical expertise of pastoral caregivers by providing a pastoral theological paradigm that will inform both assessment and intervention with persons in these specific populations *Handbook of Adoption* Rafael A. Javier, 2007

Handbook of Adoption addresses topics in adoption that reflect the many dimensions of theory research development race adjustment and clinical practice which can affect adoption triad members *Growing God's Family* Samuel L Perry, 2016-12-06 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level *Growing God's Family* ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group

Kids on the Street Joseph Plaster, 2023-01-30 In *Kids on the Street* Joseph Plaster explores the informal support networks that enabled abandoned and runaway queer youth to survive in tenderloin districts across the United States Tracing the history of the downtown lodging house districts where marginally housed youth regularly lived beginning in the late 1800s Plaster focuses on San Francisco's Tenderloin from the 1950s to the present He draws on archival ethnographic oral history and public humanities research to outline the queer kinship networks religious practices performative storytelling and migratory patterns that allowed these kids to foster social support and mutual aid He shows how they collectively and creatively managed the social trauma they experienced in part by building relationships with johns bartenders hotel managers bouncers and other vice district denizens By highlighting a politics where the marginal position of street kids is the basis for a moral economy of reciprocity Plaster excavates a history of queer life that has been overshadowed by major narratives of gay progress and pride

Sky Children - an eastern european adoption story Derek Warinner, 2017-06-29 *Sky Children* is my family's story of meeting Kolya a 17 year old orphan who had grown up in very difficult circumstances in two Eastern European orphanages As he neared his 18th birthday and an expected transfer to an even more difficult adult institution we found ourselves at a point of decision Were we called to adopt him There's a lot to this story and the beginnings of a how to guide if you find yourself with a similar calling Join us *The Road to Evergreen*
