Our Warfare Against Demons And Territorial Spirits:

Our Warfare Frank Hammond, 1991-01-01 A Frank Hammond Booklet on Spiritual Warfare For the weapons of our warfare are not of the flesh but divinely powerful for the destruction of strongholds II Cor 10 4 5 We are alerted that there is a war Our war is a spiritual war Our Commander in Chief has issued us the required weaponry and has given His name as our authority Let us take up our Warfare and defeat the enemy *Spiritual Mapping in the United States and Argentina* René Holvast, 2009 Referring to U S Evangelicalism and Neo Pentecostalism this book presents a comprehensive historical description of the movement and concept of Spiritual Mapping with special attention to theological and anthropological concepts The result is a fascinating picture of modern Christian Americanism **Territorial Spirits** C. Peter Wagner, 2012-02-21 The Battle Is Ours Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world Eph 6 12 NIV For generations when Christians have engaged in spiritual warfare most of the time they have focused on satan as the main opponent However C Peter Wagner has gathered together a number of ministers who teach from personal experience that the principalities and powers are more than just satan there is an entire hierarchy of demons in this world Often missionaries and ministers are finding that they have far more success in an area when they first go to war in the spirit and in prayer against the evil power that rules a certain region C Peter Wagner has compiled this book of many voices speaking from Scripture and personal experience teaching the reality of territorial spirits and the necessity of waging targeted powerful warfare against them in order to reach the souls these evil powers have held captive for too long You will learn There is an entire hierarchy of demons in this world many with specific geographic territories Once a territorial spirit's power is broken ministry in that area can be far more effective How to go to war against evil spirits to break their power over the people of a region Christians must take to heart what the Bible teaches about spiritual warfare Arm yourself with this book *WORKBOOK to Deliverance from Demonic Covenant and Curses* Rev. James Solomon, 2024-09-16 While lecturing on spiritual warfare at a Bible school in Japan some years ago I had an encounter with a student who said she was not a born again Christian and had never been to church she was a Buddhist During our conversation she told me she had read so many books on Buddhism but had never read the Bible or read any book about God In my reasoning with her I asked her how was she to know anything about God whom she has not read about If she wanted to know if God is better than Buddha she would need to read the Bible to know who God is She agreed with me and I got her a Bible which she promised to start reading I believe this encounter and many others are the reasons the Holy Spirit impressed it upon me to put together this deliverance workbook in order to help create an awareness and to enlighten the upcoming generation on this very important subject matter of deliverance that many seem to lack knowledge about This book explains all the major aspects of deliverance and is strongly recommended to all churches ministries ministers of God prayer band intercessory groups prayer ministries Bible schools seminaries and all other Christian organizations worldwide The book

addresses various topics such as What is deliverance Satan's kingdoms Can a Christian have demons Satan's initiations and much more Rejecting the teachings on deliverance is sheer ignorance It is time to rise up and build a militant army to join hands with Jesus Christ in destroying the works of the devil 1 John 3:8

Engaging the Enemy C. Peter Wagner, 1991 In *Engaging the Enemy* 18 veterans of strategic level spiritual warfare share their personal experiences of engaging territorial spirits and provide practical guidance to prepare you for any encounters you may face from inside jacket

The Holy Spirit Will Deliver You Patricia L. Loranger, 2018-06-15 Does it seem you just cannot win the battle over the devil Are you battling the temptation to sin or hiding secret sins from your church and family Do you find it difficult to participate in church groups or struggle to pray and read the Bible When we think of deliverance we think of salvation but this is only the first step Deliverance is receiving freedom and many Christians need freedom from their loaded baggage of sin We say the sinner's prayer and we think that's it we've got our deliverance But this is just the beginning Some Christians struggle their whole lives with temptation they need deliverance and there are so few deliverance ministries out there *The Holy Spirit Will Deliver You* offers hope and guidance toward relief and redemption With the aid of the Holy Spirit author Patricia L. Loranger undertook two lengthy spiritual deliverances in which she cast a large number of evil spirits out of herself She knows that through the aid of God's Spirit that dwells within all believers can set themselves free from the chains that bind them Based on one woman's personal experiences and grounded in scripture this guide provides Christians seeking deliverance with answers and steps to take toward their ultimate freedom
