Our Lady And The Church:

Our Woman Workers. Biographical Sketches of Women Eminent in the Universalist Church for Literary, Philanthropic and Christian Work E. R. Hanson, 2024-04-05 Reprint of the original first published in 1882 **Our Lady of the Nations** Chris Maunder, 2016-02-18 Our Lady of the Nations is a detailed and scholarly overview of the apparitions of Mary in 20th century Catholic Europe Chris Maunder discusses apparitions in general and how they are interpreted in Catholicism by for example Karl Rahner and Benedict XVI The role of women and children as visionaries is considered including issues concerning changing views of gender children s spirituality and the protection of minors He covers cases that are well known and approved by the Church Fatima Beauraing Banneux and Amsterdam others that are well known but not approved such as Garabandal and Medjugorje and many that are neither well known nor approved such as those in Belgian Flanders or Nazi Germany in the 1930s or in France Italy or Germany after the Second World War Resources include academic studies of particular apparitions some Catholic theological and devotional literature and occasionally travel writing There is also coverage of material in French which is not known to the English reader Shrines and visionaries are believed to be indicators of the presence of Mary In the visionary perspective she has appeared in order to reassure her followers and to warn of divine judgement Her messages echo doctrinal Catholic Mariology with some innovations but also express a deep dissatisfaction with the events and trends of the 20th century from communism to Nazism to liberalism and religious indifference While the Marian cult evolves according to new templates for apparitions and developments in Mariology the fundamental message of presence consolation and admonition remains constant *Inventory of the Church Archives in New York City* Historical Records Survey (New York, N.Y.), 1941 **Crossing the Water and Keeping the Faith** Terry Rey, Alex Stepick, 2013-08-19 Beginning in the late 1970s and early 1980s significant numbers of Haitian immigrants began to arrive and settle in Miami Overcoming some of the most foreboding obstacles ever to face immigrants in America they have diversified socioeconomically Together they have made South Florida home to the largest population of native born Haitians and diasporic Haitians outside of the Caribbean and one of the most significant Caribbean immigrant communities in the world Religion has played a central role in making all of this happen Crossing the Water and Keeping the Faith is a historical and ethnographic study of Haitian religion in immigrant communities based on fieldwork in both Miami and Haiti as well as extensive archival research Where many studies of Haitian religion limit themselves to one faith Rey and Stepick explore Catholicism Protestantism and Vodou in conversation with one another suggesting that despite the differences between these practices the three faiths ultimately create a sense of unity fulfillment and self worth in Haitian communities This meticulously researched and vibrantly written book contributes to the growing body of literature on religion among new immigrants Terry Rey is Associate Professor of Religion at Temple University He is the coeditor with Alex Stepick and Sarah Mahler of *Churches and Charity in the Immigrant City* Religion Immigration and Civic Engagement in Miami Alex Stepick is

Professor of Sociology at Portland State University and Professor of Global and Sociocultural Studies at Florida International University He is coauthor with Alejandro Portes of *City on the Edge The Transformation of Miami* In the North American Religions series **Between Saint James and Erasmus: Studies in Late-Medieval Religious Life - Devotion and Pilgrimage in the Netherlands** Jan van Herwaarden,2021-10-25 This volume is divided into four sections late medieval devotion in the Netherlands medieval Christian pilgrimage the medieval cult of St James the Great and Erasmiana Variety and coherence sound the keynote in the title and the contents of the book Religious concepts and expressions of religious faith such as pilgrimages and indulgences are representative of late medieval Christianity In this book they refer specifically to the medieval cult of St James the Great while for Erasmus they were an object of his critical consideration The whole book can be read in the light of the debate about the tension between an appreciation for outward signs of faith and the inward experience of religious belief which Erasmus considered an absolute necessity **The Mystery of Our Lady's Beard**

Antonio Botto Quintans,Stephen Davies,2014-06-03 When his brother is mysteriously saved from drowning Frederico is inspired to research his Quinta s history and discovers a celtic sanctuary donated to the Cistercians by Portugal s first king Afonso Henriques The truth behind folklore of a treasure trove hidden in this Royal Forest near the Knights Templar port of Atouguia slowly dawns In the visigothic chapel a fresco painting showing Our Lady with a beard holds the key to the great secret of the Knights Templar the Holy Grail **Our Lady of the Lost and Found** Diane Schoemperlen,2002-07-30 One Monday morning in April a middle aged writer walks into her living room to water the plants and finds a woman standing beside her potted fig tree Dressed in a navy blue trench coat and white Nikes the woman introduces herself as Mary Mother of God You know Mary Instead of a golden robe or a crown she arrives bearing a practical wheeled suitcase Weary after two thousand years of adoration and petition Mary is looking for a little R R She s asked in for lunch and decides to stay a week As the story of their visit unfolds so does the story of Mary one of the most complex and powerful female figures of our time and her changing image in culture art history as well as the thousands of recorded sightings that have placed her everywhere from a privet hedge to the dented bumper of a Camaro As this Everywoman and Mary become friends their conversations both profound and intimate touch upon Mary s significance and enduring relevance Told with humor and grace Our Lady of the Lost and Found is an absorbing tour through Mary s history and a thoughtful meditation on spirituality our need for faith and our desire to believe in something larger than ourselves **Directory of Churches in New Jersey** New Jersey Historical Records Survey Project,1941 **Sister Churches** Janel Kragt Bakker,2013-10-03 The growth of Christianity in the global South and the fall of colonialism in the middle of the twentieth century caused a crisis in Christian mission as many southern Christians spoke out about indignities they had suffered and many northern Christians retreated from the global South American Christians soon began looking for a fresh start a path forward that was neither isolationist nor domineering Out of this dream the sister church model of mission was born Rather than western churches sending

representatives into the mission field they established congregation to congregation partnerships with churches in the global South Janel Kragt Bakker draws on extensive fieldwork and interviews with participants in these partnerships to explore the sister church movement and in particular its effects on American churches Because Christianity is numerically and in many ways spiritually stronger in the global South than it is in the global North while the imbalance in material resources runs in the opposite direction both northern and southern Christians stand to gain Challenging prevailing notions of friction between northern and southern Christians Bakker argues that sister church relationships are marked by interconnectivity and collaboration **The Foreign church chronicle and review** ,1877
