Out In The Periphery Latin Americas Gay Rights Revolution:

Out in the Periphery Omar Guillermo Encarnación,2016 Out in the Periphery explores how Latin America a region known for its Catholic heritage and machismo culture came to embrace gay rights At the heart of this analysis is the activism of Latin America s gay rights organizations a long neglected social movement even by students of Latin American social movements

Out in the Periphery Omar G. Encarnación,2016-01-04 Out in the Periphery explores how Latin America a region known for its Catholic heritage and machismo culture came to embrace gay rights At the heart of this analysis is the activism of Latin America s gay rights organizations a long neglected social movement even by students of Latin American social movements

Out in the Periphery Omar G. Encarnación,2016-01-04 Known around the world as a bastion of Catholicism and machismo Latin America has emerged in recent years as the undisputed gay rights leader of the Global South Even more surprising is that several Latin American nations have surpassed many developed nations including the United States in legislating equality for the LGBT community So how did this dramatic and unexpected expansion of gay rights come about And why are Latin American nations diverging in their embrace of gay rights a point highlighted by the paradoxical experiences of Argentina and Brazil Argentina a country with a dark history of repression of homosexuality legalized same sex marriage in 2010 a first for a Latin American nation and since then it has enacted laws to ensure transgender equality to abolish ex gay reparative therapy and to provide reproductive assistance to same sex couples By contrast Brazil a country famous for celebrating sexual diversity proved incapable of legalizing same sex marriage via the legislature leaving the job to the courts and Brazilian anti gay discrimination laws are among the weakest in Latin America In Out in the Periphery Omar G Encarnaci n breaks away from the conventional narrative of Latin America s embrace of gay rights as a by product of the global spread of gay rights from the developed West Instead Encarnaci n aims to decenter gay rights politics His intention is not to demonstrate how the local has trumped the global in Latin America but rather to suggest how domestic and international politics interacted to make Latin America one of the world s most receptive environments for gay rights Economic and political modernization constitutional and judicial reforms and the rise of socially liberal governments have all contributed to this receptivity But the most decisive factor was the skill of local activists in crafting highly effective gay rights campaigns Inspired by external events and trends but firmly grounded in local politics and realities these campaigns succeeded in bringing radical change to the law with respect to homosexuality and in some cases as in Argentina in transforming society and the culture at large

Out in the Periphery Omar Guillermo Encarnación,2016 Out in the Periphery explores how Latin America a region known for its Catholic heritage and machismo culture came to embrace gay rights At the heart of this analysis is the activism of Latin America s gay rights organizations a long neglected social movement even by students of Latin American social movements

Sovereign Emergencies Patrick William Kelly,2018-05-10 Shows how Latin America was the crucible of the global human rights revolution of the 1970s

The

^AOxford Handbook of Global LGBT and Sexual Diversity Politics Michael J. Bosia, Sandra M. McEvoy, Momin Rahman, 2020-03-02 Struggles for LGBT rights and the security of sexual and gender minorities are ongoing urgent concerns across the world For students scholars and activists who work on these and related issues this handbook provides a unique interdisciplinary resource

Latin American History Goes to the Movies Stewart Brewer, 2024-02-05 This new edition of *Latin American History Goes to the Movies* uses a variety of feature films as a method of studying key historical themes in Latin America from pre Columbian cultures to contemporary debates The book provides historical context as a way of interpreting Latin American filmography offering multiple classroom viewing options per chapter theme Each chapter is dedicated to a central concept or issue such as stereotypes conquest and colonialism revolution religion gender and politics The second edition includes four additional chapters on dictatorships LGBTQIA issues the environment and Indigenous peoples Twenty new films including *La Fiesta del Chivo* *Fresa y Chocolate* *Embrace of the Serpent* and *Roma* appear throughout this edition presenting additional perspectives and updates for today s readers The discussions of films and the history behind them offer a flexible and nuanced approach to understanding Latin American cultures differentiating between stereotypical depictions and the realities of history Concise and accessible *Latin American History Goes to the Movies* is a unique resource for students and instructors in Latin American history and film studies to analyse developments in Latin America throughout previous centuries

Latin America since Independence Thomas C. Wright, Robert L. Smale, 2022-08-03 This book offers an innovative thematic approach to the history of Latin America since independence It traces continuity and change in colonial legacies that became central political issues following independence authoritarian governance a rigid social hierarchy based on race color and gender the powerful Roman Catholic Church economic dependency and the large landed estate Generally liberals have sought to modify or abolish these legacies in the interest of what they consider progress while conservatives have attempted to preserve them as much as possible as bastions of their power and privilege Examining the evolution of these colonial legacies across two centuries reveals the processes that formed the political systems economies societies and religious institutions that characterize Latin America today

The International LGBT Rights Movement Laura A. Belmonte, 2020-12-10 During the past four decades the international lesbian gay bisexual and transgender rights movement has made significant advances but millions of LGBT people continue to live in fear in nations where homosexuality remains illegal The International LGBT Rights Movement offers a comprehensive account of this global force from its origins in the mid nineteenth century to its crucial place in world affairs today Belmonte examines the movement s goals the disputes about its mission and its rise to international importance The International LGBT Rights Movement provides a thorough introduction to the movement s history highlighting key figures controversies and organizations With a global scope that considers both state and non state actors the book explores transnational movements to challenge homophobia while also assessing the successes and failures of these efforts along the way

Pride Parades

and LGBT Movements Abby Peterson, Mattias Wahlström, Magnus Wennerhag, 2018-06-12 The Open Access version of this book available at <http://www.tandfebooks.com/doi/view/10.4324/9781315474052> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license Today Pride parades are staged in countries and localities across the globe providing the most visible manifestations of lesbian gay bisexual trans queer and intersex movements and politics *Pride Parades and LGBT Movements* contributes to a better understanding of LGBT protest dynamics through a comparative study of eleven Pride parades in seven European countries Czech Republic Italy Netherlands Poland Sweden Switzerland the UK and Mexico Peterson Wahlström and Wennerhag uncover the dynamics producing similarities and differences between Pride parades using unique data from surveys of Pride participants and qualitative interviews with parade organizers and key LGBT activists In addition to outlining the histories of Pride in the respective countries the authors explore how the different political and cultural contexts influence Who participates in terms of socio demographic characteristics and political orientations what Pride parades mean for their participants how participants were mobilized how Pride organizers relate to allies and what strategies they employ for their performances of Pride This book will be of interest to political scientists and sociologists with an interest in LGBT studies social movements comparative politics and political behavior and participation
